The minutes of the One Hundred Fifty-Six session of the Pee Dee Baptist Association are in honor of the Rev. Mr. John Nicely, former pastor of the Norman Baptist Church. The pastors, messengers and friends of the Association do this with abiding love and deep appreciation for Mr. Nicely's ministry among us.

Brother Nicely was born in Wilmore, Kentucky on August 13, 1923. He is married to Miss Martha Shirley of Harrodsburg, Kentucky. They have two daughters. He has served pastorates in Tennessee, Virginia, South and North Carolina. He came to Norman Baptist Church in 1970. Being stricken with blindness in June 1971, he has had to give up his pulpit ministry.

We commend him to the Lord and by our action assure Brother Nicely of our continued prayer support.

Constitution

PREAMBLE

We, members of Baptist churches in Richmond and Scotland Counties, State of North Carolina, do hereby propose to establish and maintain the order and rules of an Association in conformity to the following plan:

ARTICLE I - NAME

The name of the association shall be the Pee Dee Baptist Association of North Carolina.

ARTICLE II - PURPOSE

The purpose of the Association shall be to promote Christian fellowship and cooperation among the churches affiliated with it; to uphold the doctrines and principles of our Baptist faith and to encourage the churches to be loyal to and practice those doctrines and principles; to promote the preaching and teaching of God's Word; the enlisting and training of all Christians for service; to promote missions, benevolences, stewardship, Christian education, and the winning of all men to Christ to the ends of the earth.

ARTICLE III - MEMBERSHIP

Section 1. The Association shall be composed of the officers of the Association, and pastors and messengers from churches affiliated with it. Affiliated churches shall be those which continue Baptist in faith and practice, and that cooperate with the Association, and that support the Association and the agencies of the State and Southern Baptist Convention.

Section 2. The Association shall be sole judge of its membership and may receive churches into its fellowship, or reject churches, according to its Constitution and By-Laws. Affiliated churches may also withdraw as they desire.

Section 3. Churches desiring to affiliate with this body shall apply to the Committee on Missions. If recommended by this Committee, they shall submit a written request to the Committee on Petitionary Letters including such recommendation, at least sixty days before the meeting of the Annual Meeting of the Association. If recommended by this Committee and accepted by a majority vote of the Association, the church shall agree to come under the watch care of the Association for a sufficient time to satisfy the Association of its intent to continue, through practice and attitude, a cooperating Baptist church. Upon the recommendation of the Committee on Petitionary Letters, acceptance into the full fellowship of the Association shall be confirmed by vote of the Association. During this period, members of such churches shall be entitled to all rights and privileges of the Association, except holding office and voting.

Section 4. The Association shall not maintain fellowship with any church that neglects to maintain a spirit of cooperation with the Association, or fails to support the causes fostered by the Association, or that departs from the principles of the Christian faith as taught in the Bible and believed by Baptists.

Any church failing in cooperative practice shall be visited by the officers of the Association with a view to correcting such failures. In the event of the church refusing to correct failures found, upon the recommendation of the officers of the Association, the Association may by two-thirds majority vote of those present and voting withdraw fellowship from such church.

ARTICLE IV - MEETINGS

Section 1. The association shall meet in annual session on Tuesday (morning, afternoon and evening) following the third Sunday in October.

Section 2. Special meetings may be called by the Moderator, provided two weeks notice is given to all affiliated churches.

Section 3. Churches of fifty members or less shall be entitled to three messengers. One additional messenger shall be allowed for each additional fifty members or major fraction thereof, provided no church shall be entitled to more than ten messengers. These shall constitute the voting body of the Association. The names of messengers printed in the Minutes shall only include these attending and registering at the sessions of the Association.

ARTICLE V - AUTHORITY

Section 1. The association is an autonomous body and therefore reserves the right to determine its own policies and direct its own business; it may refuse to seat messengers who are not in fellowship or doctrinal agreement with the body, or whose churches are not.

Section 2. The association shall never exercise any authority over, or give direction to, any church or churches which are affiliated with it; but the association will stand ready to lend any assistance or counsel to any church making requests for such help.

ARTICLE VI - OFFICERS AND THEIR ELECTION

Section 1. The officers of this Association shall be the Moderator, Vice Moderator, Clerk, Treasurer, Sunday School Director, Church Training Director, Woman's Missionary Union Director, Brotherhood Director, Music Director, Auditor and Parliamentarian.

Section 2. The officers shall be elected at the Annual Meeting for a term of one year. The nominees shall be contacted and nominated by the Committee on Nominations (By-Law IV, Section 6). Committee nominations shall not preclude nominations from the floor.

Section 3. All officers shall complete their work as soon as practicable after the closing of the session. The newly elected officers shall assume, at the close of the session, all duties incumbent upon said officers relating to the work of the ensuing Associational year. Officers shall carry out the responsibilities of their offices at all times as instructed by the Constitution, the Association and/or the Executive Committee.

*Section 4. The Moderator shall be elected annually and shall not be eligible to succeed himself after serving two successive terms of office.

The Sunday School Department, the Training Union Department, the Woman's Missionary Union Department, the Brotherhood Department, the Music Department, and such other departments as may be added by the Association or the Executive Committee.
- b. Each Department shall nominate in cooperation with the Committee on Nominations of the Association its chief officers for approval by the Executive Committee at its third quarterly meeting. Other Departmental leaders shall be nominated in the same manner not later than September 1. Those nominated shall serve along with the incumbent workers until election at the Annual Meeting. In event of vacancies occurring during the year, said vacancies shall be filled temporarily by the Departments for the remainder of the Association year.

ARTICLE VII - TRUSTEES AND THEIR ELECTIONS

There shall be three Trustees of the Association, one preferably a lawyer, serving terms of three years each on a rotating basis. On nomination by the Committee on Nominations, one new Trustee shall be elected at the Annual Meeting. The expiration date of each Trustee's term of office shall appear by his name in the Associational Minutes.

ARTICLE VIII - EXECUTIVE COMMITTEE

The Executive Committee shall be composed of all Associational officers, heads of departments, (Article VI, 5a), the Associational Missionary (Ex-officio), each active pastor, and one lay member chosen by each church from its membership and certified to the Association in its annual report, and chairmen of all standing committees of the Association. The Executive Committee shall have the authority to act for the Association between sessions, except as limited by the Constitution. It shall be the duty of this Committee to meet quarterly, and make reports and recommendations to the Association at its Annual Meeting. Emergency meetings may be held on call by the Moderator.

ARTICLE IX - THE ASSOCIATIONAL COUNCIL

The Associational Council shall be composed of the officers of the Association as listed in Article VI, Section 1 of this Constitution. Time and frequency of meetings may be set by the Council itself, or it may meet upon the call of the Moderator or Missionary. Reports

REPORT OF THE CONSTITUTION COMMITTEE, WITH RECOMMENDATIONS

Report No. 1

Your Committee on Constitution recommends that the following changes be made in the Constitution:

1. ARTICLE VI - OFFICERS AND THEIR ELECTION

Section 1. That the names of some of the Department Heads be changed to bring the Constitution in line with the new terminology. Thus changed, it would read:

"The officers of this Association shall be the Moderator, Vice-Moderator, Clerk, Treasurer, Sunday School Director, Church Training Director, Woman's Missionary Union Director, Brotherhood Director, Music Director, Auditor and Parliamentarian."

Section 2. That the last sentence, which now reads: "No person in the full-time employ of the Association may be elected to any office listed in Section 1 of this Article.", be deleted. Thus amended, Section II would then end with the statement "Committee nominations shall not preclude nominations from the floor."

2. ARTICLE X - COMMITTEES

Section 1. That the words "Except the Committee on Committees" be inserted in parenthesis between the words "committees" and "shall", so that the second sentence in this section shall then read:

"Members of all Standing Committees (except the Committee on Committees) shall serve for a term of three years, with one third of the membership chosen each year."

3. This Committee also recommends that the Association return to the practice of including the Constitution each year in the ANNUAL Minutes.

Respectfully submitted:
R.D. Riggins, Chairman
A.G. Ferris

Mrs. W.H. Anderson
Mrs. Gertrude Wilson
Mrs. Doran A. Cook

STEWARDSHIP REPORT

COOPERATIVE PROGRAM REPORT

Report No. 2

North Carolina Baptists believe that the Cooperative Program is the best way to do mission work because:

1. It is motivated by the Great Commission. The Cooperative Program did not create cooperation on the part of Baptist churches; the desire of the New Testament churches to give the gospel to the world created the Cooperative Program, (Luke 24: 45-48; Acts 1:8).

2. It is rooted in New Testament practices (II Cor. 8 and I Cor. 16:1-3).
3. It is the product of generations of the best Baptist leadership.
4. It gives hope for the future.

The Moderator, the Convention's General Board member, our Superintendent of Missions, and your Cooperative Program Representative in this association, plus your Regional Cooperative Program Consultant and R. Tom Greene of the Baptist State Convention office are delighted to offer friendly service to aid your aim of increased Cooperative Program sharing. On your invitation we stand ready to assist in every possible way. Our Region 6 Cooperative Program Consultant is Rev. Marion Parker, Box 442, Troy, 27371. His telephone numbers are: Office, 576-5286; Home, 576-5281.

BIBLICAL RECORDER REPORT

Report No. 3

At a time when some religious publications are losing circulation, it is good to report that the BIBLICAL RECORDER has passed 93,000 -- the highest circulation in its 138-year history. This circulation is a tribute to the Baptists of North Carolina who support the paper so faithfully.

Even though inflation continues to create problems, you can receive the RECORDER under the Church Budget Plan for the same price it was in 1960 -- only \$2.00 a year. It is not known how long this reasonable price can be made available and that is all the more reason churches should enlist immediately.

The RECORDER likes to report all the good news it can about Baptists. The paper is proud to be the instrument that communicates to the world what our denomination is doing. When evil needs to be exposed, however, the RECORDER does not shun it. This was evidenced again in the legislature this year as the liquor forces managed only small gains. And these may turn out to be unconstitutional. We are referring to the local option liquor by the drink elections in Moore and Mecklenburg Counties. The RECORDER stresses Christian citizenship. Perhaps this is one reason the paper continues to reach more and more people -- it stands for something.

The RECORDER appreciates every reader and supporter. The cost is reasonable. You can receive the RECORDER under the Church Budget Plan for only 4¢ a week -- half the cost of mailing a letter. There is no more economical way to have an informed membership than by sending the RECORDER to every family.

ASSOCIATIONAL FOUNDATION REPORT

Report No. 4

The North Carolina Baptist Foundation, Inc., was organized in 1920. It has a fifteen-member Board of Directors elected by the Baptist State Convention of North Carolina. The policies and procedures of the Foundation and the support of the same is in the hands of the Baptist State Convention of North Carolina. In other words, this is your Foundation, and you should know more about its services and activities.

During the past twelve months, the Foundation has had a gradual growth, in that several individuals and churches have made contracts with the Foundation to accomplish specific purposes such as: supporting an agency or institution of the Baptist State Convention, the Southern Baptist Convention, and world-wide objects. In one or two instances, individuals through their wills have added to existing memorials that were established during the lifetime of the donor. The Foundation stands ready to render service to individuals and churches as their requests are made known. We wish to serve you.

Mrs. Thena Owens, Representative

CHURCH TRAINING REPORT

Report No. 6

With the churches becoming more adjusted to the new Church Training Program implemented last year, there are evident signs of a growing and strengthening of the

Training Program in our churches. A more sound approach to training is now visible and is being promoted through church training literature. It is hoped that every church in the association will face the challenge of promoting a better training program through Church Training with a determination to better prepare its members for a greater Kingdom work.

The associational records show that we have 19 Training Unions with an enrollment of 1,141.

The goal for next year is a Church Training Program in every church with an enrollment of at least 1,500.

"M" Night, held on Monday, November 23, 1970, at the Second Baptist Church, Hamlet, North Carolina, proved to be very inspirational. The total attendance was 214. Among this number were 14 Pastors, 13 Training Union Directors, 4 Music Directors, and 1 visitor. Eighteen churches were represented at this "M" Night meeting.

It is the hope of the association Church Training Department that great strides toward a fuller program of training will be realized by every church through Church Training in the coming year. The associational Church Training personnel stands ready to assist any church in establishing or in the improvement of a Church Training Program.

A.G. Ferris, Director
Associational Church Training

WOMAN'S MISSIONARY UNION REPORT

Report No. 7.

Teaching missions, engaging in mission action, supporting world missions through praying and giving, promoting, interpreting information regarding the work of the church and denomination are the main aims of Woman's Missionary Union. With these aims in mind, thirty churches in the Pee Dee Association have organized all or part of the age-level organizations in W.M.U.

Progress in W.M.U. has been more outstanding in the critical social or human problems of our association. There has been more definite personal and group involvement in helping to alleviate some of these problems through efforts of all age-levels in the local churches. A Day Care Center for under privileged children, mailing numerous "Christmas in August" boxes to missionaries, are but two of the many examples involving increased concern for the welfare of "all" persons.

The Beverly Hills Baptist Church was host to the Annual Meeting of the Pee Dee Associational W.M.U. last April. Miss Sarah Ann Hobbs, State W.M.U. Executive Secretary, inspired W.M.U. members attending to a deeper personal commitment in facing the unique missionary challenge of the 70's. Miss Kathryn Bullard, W.M.U. Baptist Woman's Director, was guest at the Leadership Workshop in September. She, too, stressed the spiritual motive of "loving God" as the undergirding power in W.M.U. and church mission tasks. The First Baptist Church of Hamlet was host on this occasion.

In preparation for the year's W.M.U. program, many leaders and W.M.U. members have attended Ridgecrest and Mundo Vista.

Available records reveal there are two W.M.U.'s which would be considered distinguished Girl's in Action, one Mission Friends organization having an advanced

rating. Most reports mailed to the W.M.U. director emphasized teaching and applying mission action.

In conclusion, the Associational W.M.U. was privileged to present a much needed desk for secretarial work in the Associational Office.

We are very proud of many achievements in W.M.U. work this past year. We pray that 1971-72 will be our greatest year for Christ and to His Glory!

Respectfully submitted,
Mrs. W.B. Meares,
Associational W.M.U. Director

EVANGELISM COMMITTEE REPORT

Report 12

The Spirit of God is moving through the land! There is a real concern for spiritual values in the Pee Dee Baptist Association. Preparation and prayer for a "Great Awakening" has been evident among the leaders of the churches and Association.

Two churches of our Associational family, Mount Olive and Beverly Hills, hosted Rev. Jack Wilder and his lay witness group last Spring for an Evangelism Clinic and Rally.

On August 30th, W.C. "Bill" Lamb, State Secretary of Evangelism, shared with leaders of the churches information on the "Witness Involvement Now" (WIN) program at First Baptist Church, Hamlet.

The Evangelism Committee, in cooperation with the Superintendent of Missions, has planned the Greater Pee Dee Area Crusade to be held in the Tri-City Shopping Center, Rockingham, April 30-May 14, 1972. The Evangelist will be Rev. E.J. Daniels and his Team of Associates from Orlando, Florida. Rev. James L. Rowell, Jr., pastor of the First Baptist Church, Laurinburg, will be the Crusade Chairman.

Several churches in the Association have reported good patterns of spiritual growth. There is a spirit of anticipation and cooperation that is a wonderful forerunner to spiritual renewal.

Let's pray for Revival!

SEMINARY EXTENSION REPORT

Report No. 13

The Christian ministry is a tremendous task, especially in these days of traumatic change, moral confusion, social and spiritual revolution. If spiritual leaders are to help others find the way, and offer hope in this dispairing time, they must be equipped to minister to saints and sinners.

One's formal training may become obsolete if he does not keep up with refresher courses, and have continuing learning experiences. An excellent opportunity for Christian ministers, and church leaders to have on-the-job training is through the Seminary Extension program of work. The Southern Baptist Seminaries jointly sponsor a program designed to develop leaders, provide instruction in Bible, doctrines, church history, preaching, religious education, music and other vital subjects. There are two types of training: (a) personal study through correspondence courses; (b) class study in a semi-nary extension center.

During the years, 1968-69, the association offered some courses in Old and New Testament survey, religious education and music. Nothing has been done since that time.

In August, 1971, the Seminary Extension Committee organized for setting up a study center under the sponsorship of the association. Wayne Riddle was named as director,

and Pete Cassidy as the registrar-treasurer. A number of ministers have been certified to teach by the Nashville office.

The course now in progress is PASTORAL MINISTRIES 25, "The Work of a Pastor." The Reverend Tommy Lovom, pastor of the First Baptist Church, Cheraw, S.C. is the teacher. This class for ministers meets each Thursday, 9:00 to 11:00 a.m., at the First Baptist Church, Hamlt. The state convention has given ten scholarships, which have been awarded on the first come basis. Other interested pastors are invited to participate during the next five weeks.

It is intended that the Seminary Extension be put on a continuing basis, providing for a four year program. Although the present course is for the ministers, other courses are being planned in the spring, 1972, designed for interested lay leaders.

Respectfully submitted,

EXECUTIVE COMMITTEE REPORT

Report No. 14

The Executive Committee of the Pee Dee Baptist Association met on its regularly appointed dates and at one called meeting during the last year. Besides the regular reports and routine business the following action was transacted:

1. The Clerk would furnish the Associational Office a copy of the Executive Committee Meeting Minutes as soon as possible after each meeting and they would be printed and sent to each church.

2. Item #6 in the Superintendent of Missions Guidelines be deleted and replaced by the following:

"The Superintendent of Missions may hold two revival meetings each year, exclusive of vacation time, for which he may keep any honorarium given him. Any other revival honorariums will be given to the treasury of the Association. Honorariums received for other services to the churches will be retained by the Missionary."

3. The Association voted to sponsor and promote a World Missions Conference which was held September 12-17, 1971. This was very successful with seventeen churches participating.

4. An Evangelistic Crusade for our Association with the Rev. E.J. Daniels and his Team of Associates of Orlando, Florida, is to be held April 30-May 14, 1972. Rev. James L. Powell, Jr., Pastor of the First Baptist Church, Laurinburg, N.C., will serve as General Chairman.

BAPTIST HOMES FOR THE AGING REPORT

Report No. 15

Our North Carolina Baptist Homes for the Aging celebrated their 20th anniversary in March of this year. During these two decades, the story of our Homes has been one of faith and the abundant blessings of God upon this special ministry to older people. God has brought us from one Home, and one resident in 1951, to five Homes and a Nursing Care Unit, with total accommodations for 160 residents and 76 patients. Two of these Homes, Resthaven and the Hayes Home, and the Nursing Care Unit are located in Winston-Salem, and the other three Homes are located in Albermarle, Hamilton, and Yanceyville. In these Homes, our residents are loved and we feel that there is no greater security that they could have and no better care that they could receive.

The past year has been one of the best ever, and we are rejoicing in the blessings that have come from God through our Baptist people. Support for the Homes from the churches, through the Cooperative Program and the Special Day Offering, has been most encouraging. For the last three years, the Homes have had an alarming deficit and have operated in the red. We have not yet reached the point of operating in the black, but let us say, with hopeful optimism, that we are approaching this time. The deepened concern of our Baptist people and the increase in gifts have been strong contributing factors to the success of the past year.

At least 80% of the people who live in our Baptist Homes are financially needy persons and benefit directly from the love gifts of North Carolina Baptists. They simply could not be maintained, and the Homes could not be operated without the Special Offering, designated gifts from the churches, and the Cooperative Program. We would urge our Baptist people, therefore, to remember how dependent these dear older people are on them and would challenge them to give more liberally than ever and to see that their gifts are a real life-line in the on-going of this ministry.

Of unusual interest during the past year has been the construction of the new addition to the Nursing Care Unit in Winston-Salem. It is anticipated that this new facility will be ready for occupancy by September 1st. It will make available 20 additional beds and bring the total capacity of the Nursing Care Unit to 76. This addition was made possible by the generous challenge gift of \$80,000.00 from Judge and Mrs. William York, of Greensboro. The trustees accepted the challenge and raised an additional \$80,000.00.

Pray for your Baptist Homes for the Aging and remember that any ministry to an older person in the name of Christ is a direct ministry to Him.

Respectfully submitted,

Larry Dick

BAPTIST HOSPITAL REPORT

Report No. 16

Your Baptist Hospital admitted 17,557 persons in 1970 for a total of 150,174 days of care. In addition, there were 51,563 visits to outpatient clinics, including 17,241 to the Emergency Room. About 90% of these were "referral" patients - that is, patients who were referred to our Hospital by their local physicians because they needed the

specialized medical care our Hospital is staffed and equipped to offer.

Our Hospital, from the day of its beginning, has provided good medical care for our people, including care for persons who cannot pay the cost. There has been great progress in medicine and tremendous increase in hospital costs, and these have made some policy changes necessary. The basic policy of providing care - now the highly specialized care for the more difficult cases - for those who cannot pay has not changed. This Christian ministry is at the heart of the work of our Baptist Hospital.

The financial situation of the Hospital is viewed by the administration with "cautious optimism." The operating deficit has been reduced and expenditures are being kept more nearly in line with income. The entire staff is cooperating in an effort to maintain a proper balance between sound financial policies and a spirit of Christian compassion.

The Medical Center Development Program is progressing on schedule. The new patient Tower is expected to be ready for partial occupancy by late 1972. The 14 bed coronary care unit will open about September, 1971. A statewide Development Campaign, initiated with pledges totaling \$177,182 from employees of the Medical Center, is moving toward successful completion.

Baptist Hospital offers a ministry of healing in Christ's name to all who need it. It seeks to fulfill the same purpose in North Carolina that a Baptist Hospital operated by our Foreign Mission Board seeks to fulfill in Korea or Nigeria. It ought to be supported by missionary-minded Baptists with the same enthusiasm and for the same reason we support every other phase of our denomination's World Mission Program. This is missions too.

As Hospital Representative for the Pee Dee Baptist Association, I find that from January through September, 1971, 26 of our churches have sent in a Mother's Day offering as compared with 31 churches the year before. Of the churches contributing, 13 gave the same amount as last year or more than last year.

Total amount given by our Associational churches through September is \$90.65 less than last year.

It is our hope that the churches which have not participated in this most worthy cause will send in an offering as soon as possible.

Respectfully submitted,

C.B. Vuncannon

BAPTIST CHILDREN'S HOMES REPORT

Report No. 17

Let a graduating senior express what it is like to live in one of our Baptist Children's Homes: "I really do not know how to write about a place which has been so fine, and learn of the opportunities of worship, pursuit of knowledge and how to work in a society of materialism. After all these years, one finally learns that certain values and practices are good and sound and help children to feel secure and happy."

This statement could be made by almost any senior in Baptist Children's Homes. The only difference is the basic tragedy that caused them to become members of the Home in the first place, for they have the same values and attitudes as other children.

For these children it is our mission to provide loving care in the spirit of Jesus Christ. We want to work in harmony with God's purpose for each child entrusted to us so that each child can reach his fullest potential as he grows to responsible adulthood.

The pursuit of this basic goal has led the Children's Homes to develop a variety of services, all family centered. Some families need resident care for their children and for these we have group homes and foster homes. Some families can remain together with outside help and for these we have family services in the form of counseling or financial assistance. For the unmarried girl who is pregnant, we offer maternity care. For the graduate, we assist in higher education.

Our services are made available through facilities located in Kinston, Pembroke, Fayetteville and Raleigh. Also at Chapel Hill, Thomasville, Charlotte, Asheville and Waynesville. Every part of geographical North Carolina is represented.

During 1970 the Baptist of our State gave \$380,000 through the Cooperative Program and Thanksgiving Offering. The staff gratefully appreciate these gifts and pledge ourselves to translate your investment into quality Christian child care.

Respectfully submitted,
Dr. W.M. Pearce
Children's Home Representative

CHRISTIAN HIGHER EDUCATION REPORT

Report No. 18

The Baptist colleges in North Carolina continue to be grateful for the vital financial support which comes through the Cooperative Program. Outside of student charges, the Cooperative Program is the largest financial source of annual income for our colleges. During the past year these amounts were: Campbell - \$302,350; Chowan - \$184,360; Gardner-Webb - \$193,578; Mars Hill - \$261,791; Meredith - \$261,791; Wake Forest University - \$447,995; and Wingate - \$191,735.

Throughout America, more colleges join the ranks of the financially distressed every day. Some schools have been forced to close and others are moving steadily toward the crisis stage. Fortunately none of our North Carolina Baptist schools is in deep financial difficulty at this moment. However, these are the pressures under which our schools must live from year to year.

One way our churches can help to relieve the financial burden of our schools is through the Baptist College Day offering. Every year many of our churches provide scholarship aid for needy North Carolina Baptist students by means of this special offering. Other churches prefer to include this as a regularly budgeted item. We urge more of our churches to enter into this investment in our youth.

Gardner-Webb College granted degrees to 278 persons on May 16. This was the first senior class to graduate since the former two-year college moved to senior status.

Dr. E. Bruce Heilman resigned as president of Meredith College effective in September, to become the president of the University of Richmond. Dr. Heilman's administration at Meredith was marked by progress and growth, and a deep sense of involvement with our Baptist people.

The Baptist Youth Corps is in its third summer of successful operation. This is a joint venture involving the Baptist colleges, the Church Training Department, and

the local churches. There were more applications for these student workers than could be filled this year, and an effort is being made to recruit a larger number for the summer of 1972. For a small investment of money a church can have the benefit of a summer worker from one of our colleges who has been carefully screened and trained for this particular assignment. Inquiries may be made through the Department of Church Training of the Baptist State Convention.

Together we seek to provide opportunities for students to seek Truth in an atmosphere of freedom, guided by persons who are committed to God as He is revealed in Jesus Christ.

WORLD MISSIONS CONFERENCE REPORT

Report No. 20

A World Missions Conference was held in the Pee Dee Baptist Association
 September 12-17, 1971, with sixteen of our churches participating.

Missionary speakers for this Conference were:

Rev. David Martin	Trinidad
Rev. Fred Ellis	New Mexico
Mr. & Mrs. W.A. Mitchiner	Oxford, N.C.
Rev. Leland Rpyster	Waynesville, N.C.
Rev. Max T. Furr	Peru
Rev. L.H. Gardner	Ohio
Rev. Guthrie Colvard	Hendersonville, N.C.
Rev. Wayne Pennell	Indonesia
Dr. Howard J. Ford	Raleigh, N.C.
Mrs. John Oliver	Brazil
Rev. A.R. Waisner	Supply, N.C.
Rev. H.A. Privette	Havelock, N.C.
Dr. John Tillery	Hawaii
Rev. Roy J. Smith	Raleigh, N.C.

Attendance for the services was as follows: Sunday morning, 2,344; Sunday evening, 1,253; Monday, 709; Tuesday, 795; Wednesday, 872; Thursday 728; and Friday, 686 (a few of the figures were an estimate since all attendance cards have not reached the Associational Office). \$1,888.83 was received during the Conference and the same amount was disbursed. A Memorial Offering for the children of Mr. and Mrs. Paul Potter, in the amount of \$304.25, was also received and has been sent to them in care of the Foreign Mission Board.

Of special interest is the fact that there were two conversions, two mission volunteers and 108 rededications. Many very favorable comments came from pastors and church members as to what a refreshing experience this Conference was as they became more aware of the work being done in all areas of missions. People were stirred to greater dedication to missions and we feel that this will have a long-lasting effect in our Association.

Thanks are due to many people for their work that was done so well - our missionary speakers, the director, chairmen and members of committees, pastors and every individual who took advantage of the opportunity to attend the services.

In the words of our Associational Missionary, "It was a great experience any way you look at it! I think we can all praise and thank God for making our World Missions Conference an unqualified success!"

Due to the illness of our Associational Missionary, this report was compiled by Mrs. Margie S. Bundy, Office Secretary, from information on file in the office.

MISSIONS COMMITTEE REPORT

Report No. 21

Due to my recent election to serve as Chairman of the Missions Committee and the absence of notes from former sessions, we have no report of past activities.

We can recall with pleasure the recent World Missions Conference. It seemed to many pastors that this kind of meeting should come more frequently in the future.

Your Missions Committee has planned to meet with the Superintendent of Missions on Thursday, October 14. It was our intention to review the work of the past year and make some effort at planning the work for 1972. Due to the illness of Mr. Lovin the meeting will be held at a later date.

It would be helpful if you would share with the Missions Committee, in writing, any suggestions you may have relative to the work we can and should be doing. Some of the pastors have shared with us their concern that we become more mission-minded in our own area and for this we are grateful. If there are areas of special ministry that we can meet through the Associational program we are ready.

OTHER REPORTS

HOME MISSION BOARD REPORT

At the close of 1970, there were 2,222 home missionaries which is thirteen less than 1969. This reduction was caused by the rising cost of living and a slowdown in giving. Executive Secretary Arthur B. Rutledge said, "This meant some mission opportunities could not be taken, particularly in the newer areas of the Convention. Reports from the field tell of many exciting and fruitful accomplishments."

Of these missionaries, approximately two-thirds are supported jointly with state conventions and serve in the fifty states, Puerto Rico, and Panama.

A training plan was put into operation for lay evangelism, including materials spiritual preparation, and training which prepares laymen in sharing their faith. Many key cities will have training in lay witnessing in 1971.

The division also has projected plans for use of television in the presentation of the Christian faith and the addition of a staff member for youth evangelism in high schools.

Southern Baptist ministers served as chaplains in the military, hospitals, institutions, and industry. There were 617 on active duty with the military and 325 in other positions, in addition to 701 part-time chaplains. These ministers reported 11,086 professions of faith and 850 units of work started, such as new worship services, Bible classes or Sunday Schools.

Church loans were made for 126 churches for \$3,926,871 and 81 other loans for more than \$4,000,000 were committed.

About 350 new churches and church-type missions were established; Church growth in pioneer areas increased 25% over the previous year as about 300 new churches and nine hundred home-type fellowships were established. Baptismal ratio in these states was one new convert to four church members.

The name for the Department of Work with Nonevangelicals was changed to inter-faith Witness. The department produced and distributed pamphlets to assist churches to witness to those non-evangelical beliefs. In one church, there were forty-seven and in one association, there were 318 of other sects baptized last year.

Missionaries reported people saved and led to use the Word of God to witness because of extensive distribution of Scriptures. The Division of Communication operated the distribution project in cooperation with the American Bible Society.

"The Home Mission Board gave increasing attention to its efforts to assist the churches in carrying out our objective of winning Our Land for Christ.

The Board will give a major emphasis to a full commitment by every Southern Baptist in missions and evangelism."

Arthur B. Rutledge, Executive Secretary-
Treasurer, Home Mission Board, S.B.C.
(Condensed by Margie S. Bundy)

FOREIGN MISSION BOARD REPORT

The sending out and maintaining of missionaries is primary in Southern Baptist overseas missions through the channel of the Foreign Mission Board. At the close of 1970 the Board had an overseas missionary staff of 2,501. This included 165 missionary associates, 4 special medical personnel, and 121 missionary journeymen. Appointments during the year totaled 182 (92 career, 18 associates, 64 journeymen, 1 special project medical couple, and 6 career reappointments). Between January and May, 1971, 35 more were added.

Hundreds of calls for reinforcements in personnel have come from Missions and national conventions in dozens of countries. Some requests, repeated from previous years and still urgent, are yet unfilled.

Underlying all our missionary endeavors is the ultimate purpose of leading people to new life in Jesus Christ and the cultivation of New Testament churches. Organized churches with which Southern Baptist missionaries are related on mission fields now total 5,853, of which 75% are self-supporting.

The program of evangelism and church development includes many types of ministry: radio and television, English-language churches, lay-leadership training, stewardship promotion, camps and conferences, work with women, men and youth; music, and religious education.

Educational institutions under Baptist auspices in various lands may include all levels from kindergarten through university. Of special importance is the development of pastors and other church leaders through theological schools and in programs below the full seminary level.

Publication ministries are an integral part of Southern Baptist overseas missions, as all kinds of Christian literature are provided for purposes of evangelism and the developing of vigorous church life. Our missionaries are related to publishing centers in 24 lands and to informal literature production programs in a number of other countries. They assisted in producing over 27 million pieces of literature: tracts, books, periodicals, Bibles, hymnals, and other items. The most remarkable expansion of publishing efforts took place in the development and outreach of correspondence courses.

The program of hospitals and medical care serves the physical needs of thousands of people who would otherwise be neglected and often opens strategic doors for evangelistic witness. Clinics in India were seeing 3,000 patients a month, and those in the Dominican Republic were ministering to nearly 10,000 people per month.

At the end of 1970, Southern Baptists' contributions for foreign missions totaled \$31,503,218 (a per capita gift of \$2.71, one per cent more than in 1969). The 1970 Lottie Moon Christmas Offering had reached a total of \$16,220,105 by May 1, 1971. Approximately 50% of the SBC Cooperative Program funds are made available annually for foreign missions. This is the basis upon which sustained advance can be built. Still needed urgently on overseas fields are land, buildings, and equipment, amounting to several million dollars' worth.

REPORT OF THE DEPARTMENT OF INTERRACIAL MINISTRIES

An important event of the past year was to welcome the Reverend Leo Williams, Jr., to the staff as Director of Christian Education. He is part of the expanding co-operative ministries sponsored by the General Baptist State Convention and the Baptist State Convention.

This summer a record number of thirty young people and adults were appointed to serve in a variety of places throughout the state. They have ministered primarily to young people in Bible camps, week-day programs, day-care centers, and Vacation Bible Schools. From the mountains to the coast they have ministered in churches of both conventions, reaching the youth of all races.

For the first time applications for summer work were rejected because funds were not available. The summer of 1972 may result in the same problem unless additional resources are provided. We are hoping that individuals and churches will see fit to help provide funds for this project.

Another objective of the department is to provide programs and materials to General Baptist churches and associations upon request. This is another way whereby the various departments may cooperate in reaching, teaching, and training people. Leaders of the General Convention are invited to reciprocate by providing messages and materials to aid individuals and churches in the Baptist State Convention. This exchange of talents and information helps us to get the best from both conventions, while improving relationships between the races.

As our young people become better acquainted in public schools, colleges, and in the military, they are placing greater demands on their churches and denomination to be racially inclusive in their ministries. We are eager to help pave the way for those congregations who believe that the Great Commission involves a challenge to reach all people with the gospel.

Those who serve within these cooperative ministries are especially happy to provide their services to churches and associations of both Baptist State Conventions. In addition to the Director they are Mrs. Mary E. Washington, Office Secretary; C.C. Craig, Jr., Raleigh; Leo Williams, Jr., Raleigh; J.Z. Alexander, Raleigh; Benjamin Daniels, Winston-Salem; and Mrs. Alcovia O. McCall, Asheville.

Corbin L. Cooper, Director
Dept. of Interracial Ministries

CHRISTIAN LIFE COMMISSION REPORT

The Christian Life Commission's emphasis on applied Christianity is finding good acceptance among Southern Baptists. There is a growing commitment to Christian action. The response of local churches has been especially encouraging.

During the past year, numerous articles and stories on applied Christianity were channeled by the Commission through practically all of the mass media outlets. The Commission's literature program has been substantially strengthened by ten new "Issues and Answers" pamphlets covering the subjects of aging, capital punishment, consumer credit, generation gap, open housing, pollution, population explosion, révolution, sex education, and taxation. The Commission now has some 70

tracts in print and available for helping churches emphasize the practical dimensions of the Christian faith. A complete and illustrated order form is available upon request.

The Christian Life Commission's conference program has developed especially well during the past year. The largest national seminar ever sponsored by the Commission was held in New York in March on "National Priorities and Christian Responsibility" with more than 400 in attendance.

A new approach to providing pastors and other church leaders with resource materials on the pressing moral issues of our times has been utilized this year. Three carefully researched resource papers on pollution, urban crisis, and drugs have been printed and inserted in HOME MISSIONS magazine, and others are projected for the future.

In response to the need for guidance in Christian sex education, the staff of the Christian Life Commission has worked with the Church Training Department of the Baptist Sunday School Board to prepare CHRISTIAN SEX EDUCATION: A RESOURCE PACKET.

The Commission has also focused on drug education by developing for the Seminary Extension Department an Independent Reading Program for pastors entitled PROBLEMS PASTORS FACE: HELPING PEOPLE WITH DRUG PROBLEMS. This program is designed to give pastors basic factual information about drugs plus a Christian critique of drug abuse. It also suggests resources for helping people who have drug problems.

The Christian Life Commission's objective is to help develop the kind of Christian morality, both private and public, which undergirds the total Southern Baptist witness for Jesus Christ. God is calling Southern Baptists to act responsibly in all phases of life, permeating the community as the salt of the earth and the light of the world. In response to this calling from God, the Christian Life Commission is dedicated to emphasizing the application of the Christian faith in the world.

ANNUITY BOARD REPORT

As prices of goods increased and the value of the dollar decreased in 1970, a large number of Baptist pastors, church staff members and denominational employees moved to provide greater protection in the years ahead for themselves and their families. Most of these persons did so by increasing their Southern Baptist Protection Program participation to at least ten per cent of total salary.

While members upgraded, the Annuity Board was introducing Good Experience Credit. This gives Protection Program members benefits over and above the amounts set forth in their certificates.

Increased benefits are made possible by interest earnings in excess of the Protection Program's initial actuarial assumptions. Since January 1, 1970, active members received Good Experience Credit in the form of increases in retirement credits accrued.

Retired persons also get Good Experience Credit. Persons receiving benefits other than education, variable or fixed period are getting four per cent more income each month.

Each retired person, or widow, also received a "13th Check" for 1970 amounting to 8.33 per cent of his annual benefit. It was the fifth consecutive year the "13th Check" had been given and amounted to \$424,594.

In its 53 year history, the Annuity Board has paid benefits amounting to \$82.1 million; \$8.4 million was paid in benefits during 1970.

An Annuity Board protection program is available to cover all the needs of a pastor, church staff member or denominational employe. Many churches help by paying the dues in retirement and life and health insurance plans. Information on any part of the Annuity Board's programs may be obtained from the state convention office or from the Development Division, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas, 75201.

Constitution

PREAMBLE

We, members of Baptist churches in Richmond and Scotland Counties, State of North Carolina, do hereby propose to establish and maintain the order and rules of an Association in conformity to the following plan:

ARTICLE I - NAME

The name of the association shall be the Pee Dee Baptist Association of North Carolina.

ARTICLE II - PURPOSE

The purpose of the Association shall be to promote Christian fellowship and cooperation among the churches affiliated with it; to uphold the doctrines and principles of our Baptist faith and to encourage the churches to be loyal to and practice those doctrines and principles; to promote the preaching and teaching of God's Word; the enlisting and training of all Christians for service; to promote missions, benevolences, stewardship, Christian education, and the winning of all men to Christ to the ends of the earth.

ARTICLE III - MEMBERSHIP

Section 1. The Association shall be composed of the officers of the Association, and pastors and messengers from churches affiliated with it. Affiliated churches shall be those which continue Baptist in faith and practice, and that cooperate with the Association, and that support the Association and the agencies of the State and Southern Baptist Convention.

Section 2. The Association shall be sole judge of its membership and may receive churches into its fellowship, or reject churches, according to its Constitution and By-Laws. Affiliated churches may also withdraw as they desire.

Section 3. Churches desiring to affiliate with this body shall apply to the Committee on Missions. If recommended by this Committee, they shall submit a written request to the Committee on Petitionary Letters including such recommendation, at least sixty days before the meeting of the Annual Meeting of the Association. If recommended by this Committee and accepted by a majority vote of the Association, the church shall agree to come under the watch care of the Association for a sufficient time to satisfy the Association of its intent to continue, through practice and attitude, a cooperating Baptist church. Upon the recommendation of the Committee on Petitionary Letters, acceptance into the full fellowship of the Association shall be confirmed by vote of the Association. During this period, members of such churches shall be entitled to all rights and privileges of the Association, except holding office and voting.

Section 4. The Association shall not maintain fellowship with any church that neglects to maintain a spirit of cooperation with the Association, or fails to support the causes fostered by the Association, or that departs from the principles of the Christian faith as taught in the Bible and believed by Baptists.

Any church failing in cooperative practice shall be visited by the officers of the Association with a view to correcting such failures. In the event of the church refusing to correct failures found, upon the recommendation of the officers of the Association, the Association may by two-thirds majority vote of those present and voting withdraw fellowship from such church.

ARTICLE IV - MEETINGS

Section 1. The association shall meet in annual session on Tuesday (morning, afternoon and evening) following the third Sunday in October.

Section 2. Special meetings may be called by the Moderator, provided two weeks notice is given to all affiliated churches.

Section 3. Churches of fifty members or less shall be entitled to three messengers. One additional messenger shall be allowed for each additional fifty members or major fraction thereof, provided no church shall be entitled to more than ten messengers. These shall constitute the voting body of the Association. The names of messengers printed in the Minutes shall only include those attending and registering at the sessions of the Association.

ARTICLE V - AUTHORITY

Section 1. The association is an autonomous body and therefore reserves the right to determine its own policies and direct its own business; it may refuse to seat messengers who are not in fellowship or doctrinal agreement with the body, or whose churches are not.

Section 2. The association shall never exercise any authority over, or give direction to, any church or churches which are affiliated with it; but the association will stand ready to lend any assistance or counsel to any church making requests for such help.

ARTICLE VI - OFFICERS AND THEIR ELECTION

Section 1. The officers of this Association shall be the Moderator, Vice Moderator, Clerk, Treasurer, Sunday School Director, Church Training Director, Woman's Missionary Union Director, Brotherhood Director, Music Director, Auditor and Parliamentarian.

The Constitution Committee recommends that the following changes be made in the Constitution:

1. That the name of the "Interracial Cooperation Committee" be changed to "Christian Life Committee" and that this committee be added to the list of standing committees found in Article X, Section 1, b, as follows:

(11) Christian Life Committee (By-Law IV, Section 14)

2. That Section 14 be added to By-Law IV, to read:

Section 14. The Christian Life Committee shall cooperate with the State and SBC Christian Life agencies and/or as directed by the Association in promoting the application of Christian principles to daily life."

3. Under Article VI - Officers and Their Election, Section 5, a:

That the name of "Training Union Department" be changed to "Church Training Department".

Glenn Snider, Chairman
Constitution Committee

BIBLICAL RECORDER REPORT

Report No. 2

The BIBLICAL RECORDER is nearing the 100,000 mark in circulation - - thanks to churches and individuals all over the state who have helped to bring this about. Once this goal is reached, new ones will be set as part of a continuing effort to put the RECORDER in every Baptist home in North Carolina.

Not only in circulation progress, but in other ways this has been a good year for the RECORDER. During the year, Woodrow W. Hill, well-known pastor and writer, came with the RECORDER as field representative. He will be speaking in associations, churches, pastors' conferences and in other meetings all over the state. Thus he will join the editor and associate editor in seeking to carry the RECORDER message to every corner of North Carolina.

This was also the year that the RECORDER went to computer. Because of the growing circulation, this had to be done.

As it has in the past, the RECORDER seeks to keep North Carolina Baptists informed on important issues. This is a heavy responsibility and the editor and his staff feel keenly the need of your prayers as they seek to be good stewards to North Carolina Baptists. If your church does not have the RECORDER in the budget, or if it does not have a club at all, please take the leadership in seeing that this situation is corrected in the coming year. The RECORDER will be 140 years old next January 18. Those responsible for its publication each week recommit themselves to this important ministry of the printed word.

Respectfully submitted,
Mrs. Everette G. Hunsucker
Biblical Recorder Representative

NORTH CAROLINA BAPTIST FOUNDATION REPORT

Report No. 3

The North Carolina Baptist Foundation, Inc. was created by the Baptist State Convention of North Carolina in 1920 and it is chartered under the laws of the State as a charitable corporation, giving tax deduction privileges to donors.

The Foundation's purpose is to secure, invest and administer endowment funds for the institutions and agencies owned by the Convention. It is independent of the causes it serves, but is dedicated to their best interests. It does not compete with any other agency, but serves to undergird all of our Baptist work.

Any property owner who wishes to do so - regardless of age, sex, religious affiliation, or place of residence - can use the Baptist Foundation through cash, securities (stocks, bonds, notes, mortgages); real property (farms, woodland, houses, lots); and any and every other kind of property, real or personal. These gifts can be in the form of a living trust, gift annuity, or by bequests in wills.

The Baptist Foundation stands ready at all times to aid individuals in making adequate preparation to use any of the foregoing methods in providing for any agency or institution fostered by the Baptist State Convention of North Carolina or the Southern Baptist Convention.

By including the Baptist Foundation in your will you can extend your Christian stewardship until Jesus comes. Doing this can be a source of joy and satisfaction to those making the gifts. Many persons who think that such gifts are limited to the very wealthy, are overlooking the value of even a modest gift when it is combined with many others like it. Most of us are better off than we realize - estate wise - because of the trend toward larger life insurance coverage.

For further information, or if you wish to have a representative visit you, contact the North Carolina Baptist Foundation, Inc., P.O. Box 26508, Raleigh, N.C. - Phone No. 919-833-1605.

Respectfully submitted,
James W. Mason, Representative

THE COOPERATIVE PROGRAM

Report No. 4

We believe that the Southern Baptist Cooperative Program was born out of the leadership of the Holy Spirit working in the minds and hearts of dedicated men and women in key positions in Baptist life. Through this working plan individuals and churches may support each Baptist agency and institution sponsored by the Southern Baptist Convention and the North Carolina Baptist State Convention. Our Association-al minutes last year revealed that thirty of thirty-seven churches supported our Convention ministries through the Cooperative Program and gave in excess of \$83,000.00. We hope that all of our churches have had a part during the year which closed September 30 in making our gifts through the Cooperative Program greater than in the year 1970-1971.

The Cooperative Program is sharing your love of God through 6,000 state, home, and foreign missionaries. Last year these Missionaries were instrumental in bringing more than 66,000 persons to Christ. The Cooperative Program gives assistance

to more than 800 Baptist schools with more then 100,000 pupils in many nations of the world, and ministers to the sick through 21 Baptist hospitals and 105 clinics. The Cooperative Program aids in bringing shelter, food, clothing and love to 8,000 homeless children plus more than 2,000 elderly persons through Children's Homes and Homes for the Aging throughout the world.

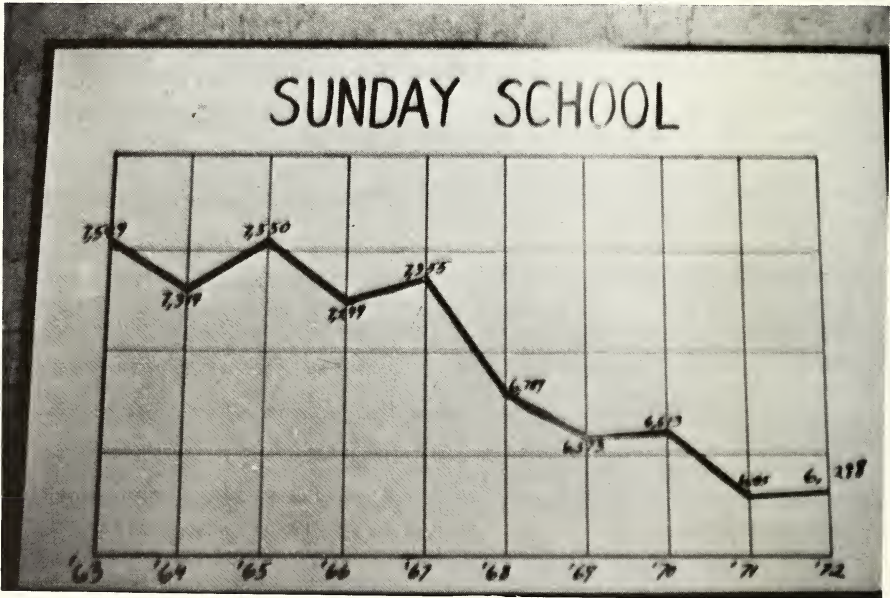

The Cooperative Program theme for 1972-73 is "Committed to Care". North Carolina Baptists have a goal of \$8,000,000.00 for Cooperative Program gifts. Of this amount \$2,583,850 or 33.34% will go to Southern Baptist Convention causes, and \$5,166,150 or 66.66% will be used for the work of the North Carolina Baptist State Convention and its agencies and institutions.

Our churches are requested to accept the following formula for increasing Cooperative Program gifts:

- 1. Churches giving under 20%, advance 2% each year up to 20% of all undesignated gifts.
- 2. Churches giving 20% but less than 30%, advance 1% each year up to 30%.
- 3. Churches giving 30% advance 1/2% each year until the objective set by the church is reached.

We recommend that each church in the Pee Dee Association study and adopt one of the four church budget subscription program options provided by the Stewardship Commission of the Southern Baptist Convention.

Respectfully submitted,
G. Carl Lewis, Stewardship and
Cooperative Program Representative

SUNDAY SCHOOL REPORT

Report No. 5

The primary task of Sunday School is to teach the Biblical Revelation. Related tasks are to lead in reaching all prospects for the church, lead all church members to worship, witness, learn, and minister daily, provide organization and leadership for special projects of the church, provide and interpret information regarding the work of the church and the denomination.

The Associational Sunday School organization plans its activities to help the churches perform their Sunday School tasks.

The Associational Sunday School activities of the past year are as follows:

Mrs. R.C. Davis, Alton Coble, David Stamps, Robert Thomas and Wayne Tuttle attended the State Vacation Bible School Clinic at Wingate College, January 5-7, 1972.

12 of our pastors attended the annual January Bible Study Retreat at Camp Caraway, October 27 & 28, 1971. Dr. Olin T. Binkley led the group in a Study of Job.

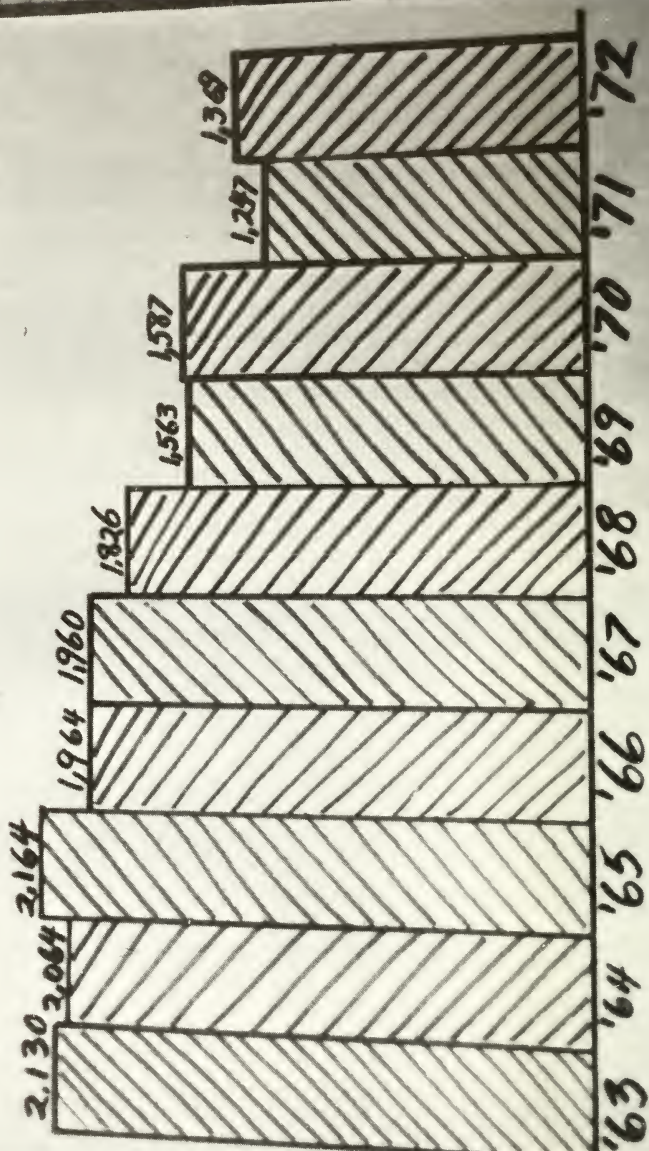

A workshop on, "Youth Work in the Church," was held at Second Baptist Church, Hamlet on February 15, 1972. Davis Bowen, Director of Intra-Convention Youth Ministries, Baptist State Convention of North Carolina led the 36 persons in a stimulating discussion of youth work.

Two Associational Vacation Bible School Clinics were held this past year. The first, on April 3, 1972, was held at East Rockingham Baptist Church, Rockingham. The second, on April 10, 1972, was held at First Baptist Church, Laurinburg. Our Vacation Bible School Conference leaders were: Wayne Tuttle, General Conference; Mrs. Robert Thomas, Pre-School; Marion E. Parker, Younger Children; Mrs. D. Edwin Hudson, Middle Children; David Stamps, Older Children; Robert Thomas, Younger Youth; Richard Whitley, Older Youth; and Alton Coble, Adult. Wayne Tuttle was the Associational Vacation Bible School Director.

On May 25, 1972, a Real Life Conference was held at First Baptist Church, Rockingham. Leading the conferences at that meeting were: Scott Turner, Doris Shoe, Belvin Cox and Pete Cassidy. Scott Turner was Associational Outreach Director and planned the Real Life Conference.

Respectfully submitted,
Alton A. Coble, Director
Assoc. Sunday School

WMU

WOMAN'S MISSIONARY UNION ANNUAL REPORT

Report No. 6

The WMU began the year 1972 with an Associational workshop held at First Baptist Church in Hamlet. This was led by the individual officers with special leadership for the Baptist Young Women led by Miss Kathryn Bullard from the state WMU office. During the year the executive Board met in regular session. A project was accepted to purchase a desk for the use of the Associational Secretary.

Leadership training was provided at Camp Mundo-Vista and Ridgecrest with some of our leaders attending.

WMU members were urged to participate in World Missions Week and in the Revival held in the spring.

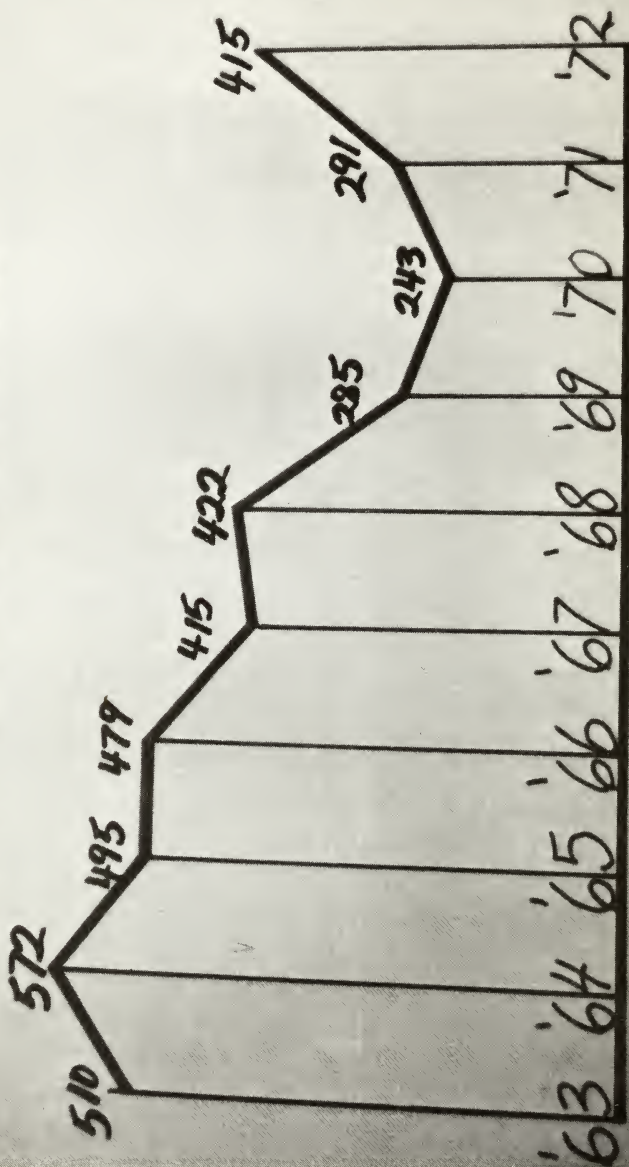

In May the Girls in Action led by Mrs. Plyler held a very successful rally at Calvary Church in Hamlet. Miss Bernice Popham, State G.A., and Missions Friends Director led the discussion showing slides of the camps at Mundo-Vista and Caswell.

The Annual meeting was held April 11, 1972 at Laurel Hill Church with the Watchword for the year Phil. 2:11 as theme. Mr. Austin Lovin our Associational Missionary spoke on the subject "Mission Opportunities in the Pee Dee Association."

We are at a time in our work that we need to reaffirm our permanent watchword "Laborers together with God." Let us pray for leadership in our Associational WMU work.

Respectfully submitted,
Mrs. Clarence Collier, Sec.
Associational W.M.U.

BROTHERHOOD

BROTHERHOOD REPORT

Report No. 7

Acts 1:8 tells us that our Lord has called us to be witnesses and that He will give us the power to share that witness with the entire world. This is our goal in the Brotherhood Department - to tell others about Jesus.

A workshop was held January 10, 1972 at the Second Baptist Church, Hamlet, for Baptist Men and Royal Ambassador Leaders. Leaders for the workshop were Rev. Edwin Bullock and Mr. David Langford. 35-40 men attended.

The McDonald Baptist Church was one of our churches that organized a Baptist Men's Group during the year. Their Director was Mr. Horace Lampley.

Other events taking place this past Associational year were:

1. The Crusade, held in the Tri-City Shopping Center, April 30 - May 14. Many of our Baptist Men took a great part in making this glorious event possible.

2. In May, the Missionary and I attended a special Brotherhood meeting at the First Baptist Church, Durham. There we were honored to hear and to meet Mr. Glendon McCullough, new S.B.C. Brotherhood Secretary.

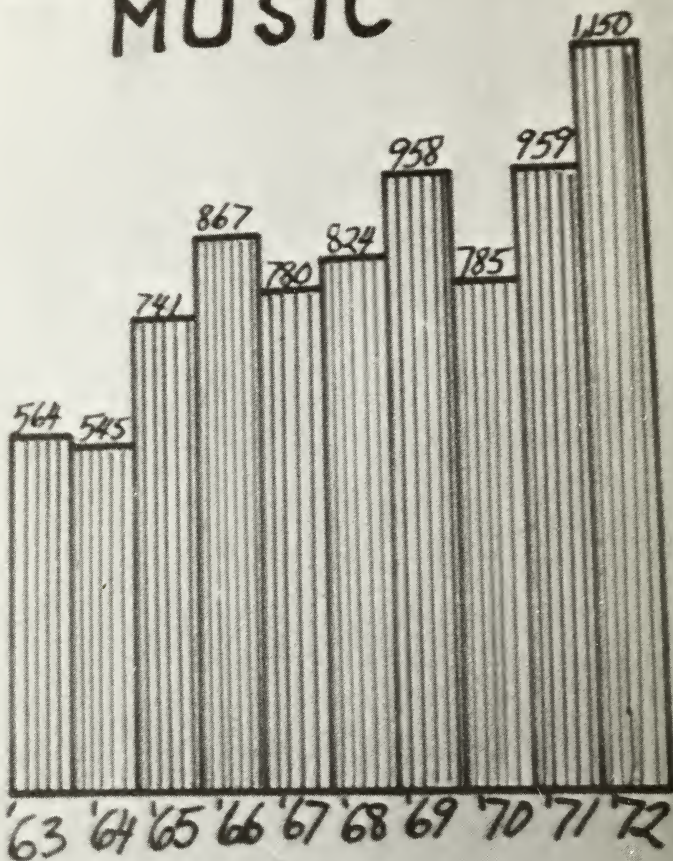

3. We also attended a Brotherhood Leadership Training Program at Camp Caraway, August 25-26. It was well attended by Baptist men from across the State.

4. The State Missions Offering has been encouraged in our Association. Fruitland Bible Institute and the proposed Laymen's Lodge at Camp Caraway will receive part of this offering if our goals are met.

Plans are being made for Special Training Programs in our area during the new Associational year. All men should take advantage of training that we might prosper in God's vineyard. In the coming year, let not the sad words spoken in Song of Solomon 1:6 be said: "They made me the Keeper of the Vineyard, but mine own vineyard have I not kept!"

Respectfully submitted,
John H. Watson, Assoc.
Brotherhood Director

MUSIC

MUSIC REPORT

Report No. 8

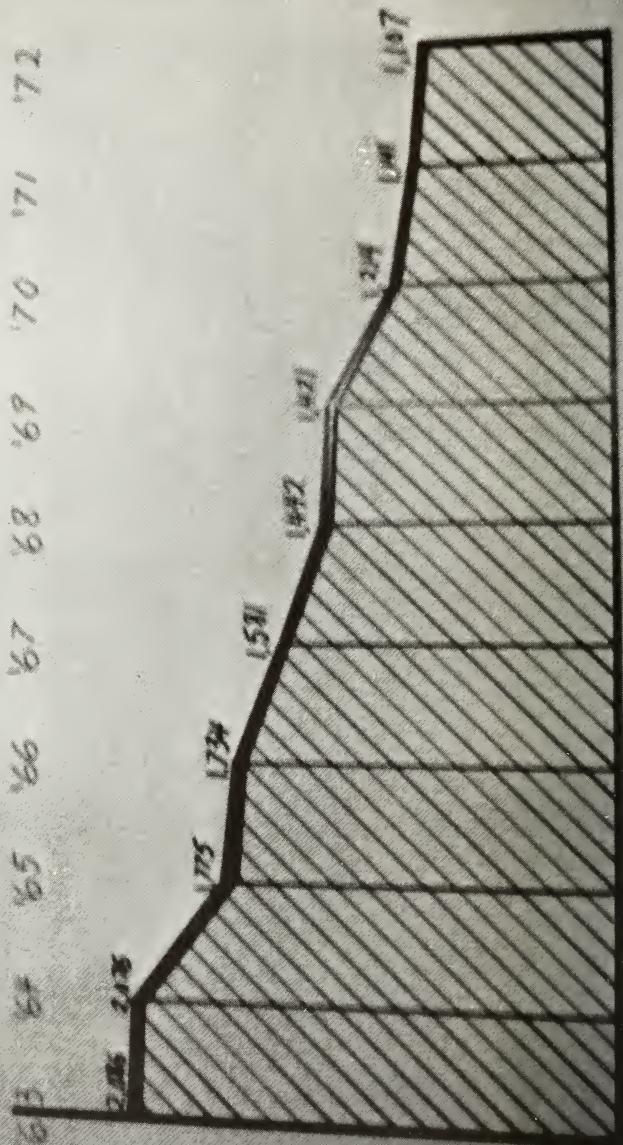

There was a time not many years ago when very little help was offered to a person charged with the responsibility of directing the music program of a Baptist Church. It was a "sink or swim" situation. Through the years, that has changed. Today the Church Music Department of the Sunday School Board of the Southern Baptist Convention produces many helps for the local Church Musician. These helps include magazines, recordings, books, study texts, filmstrips, and free promotional material. Many of us simply need to make use of what is already available. Earlier this year, you were sent pamphlets to show you various ways to build a successful music program, whether you had a small Church situation or a large one. We hope that this proved to be helpful.

On September 18 and 19, the Association sponsored a choral workshop at First Church, Hamlet, under the direction of Charles Gatwood, Associate in the Church Music Department of the Baptist State Convention and Director of the North Carolina Singing Churchmen. Over 150 people participated in this two-night clinic.

It is certainly the desire of the Music Director of the Association that we consistently encourage those in our Churches to be a part of the music ministry; and that we as Directors make use of all avenues of training so that we might be better prepared as musicians as well as Christians.

Respectfully submitted,
Mrs. Kemp B. Stewart,
Associational Music Director

TRAINING UNION

CHURCH TRAINING REPORT

Report No. 9

"Whatsoever a man soweth, that shall he also reap" - Gal. 6:7. For years Southern Baptists excelled in training church members. The result was a growing number of workers and leaders. This past decade has seen a sharp decline in Training Union enrolments and nominating committees can testify to increasing difficulty in enlistments. We are reaping what we have sown!

It is not enough to attempt to place the "blame" for this sad state of affairs. We must dedicate ourselves to a continuing effort to find ways to reverse the trend - or the worst is yet to come!

We encourage pastors and leaders to work diligently together to find ways that will work in your church. Whether it be specialized classes, a change in time of meeting, group studies in homes, or whatever, let's find a way to provide adequate training for the maximum number of persons - whatever the costs!

"M" Night was held Nov. 22, 1971 at the Cobb Memorial Baptist Church with a good attendance. Dr. Harold E. Lindsey, President, North Greenville Junior College, was the inspirational speaker, with special music by the Silver Tones Trio (Cobb Memorial) and the Hand Bell Choir (Laurinburg, First).

Youth Night was held March 18, 1972 at the First Baptist Church, Hamlet. The program was a presentation of the religious musical, "Tell It Like It Is" by the youth of the First Baptist Church, Hamlet, under the direction of Mrs. T.E. Smart and Mrs. Richard Snyder. There were 276 in attendance and 18 decisions were recorded.

The 1972 "M" Night will be held Nov. 20 at the First Baptist Church, Ellerbe, with Rev. James L. Powell, Jr., pastor of the First Baptist Church, Laurinburg, as the inspirational speaker.

Respectfully submitted,
Dr. W.M. Pearce, Director
Assoc. Church Training

EVANGELISM COMMITTEE REPORT

Report No. 14

The Spirit of God has fallen greatly upon the Churches of the Pee Dee Association. There is a real concern for revival among us. We praise God for this. The big thing this past year has been the Greater Pee Dee Area Evangelistic Crusade. The crowds over-flowed the giant tent, covering nearly half an acre, some nights it was standing room only with hundreds of others seated in parked cars.

There were 995 recorded decisions with just under 49% of them being professions of faith in Christ as Savior. Others responded to general invitations to "second mile" Christianity and similar commitments. Brother Donnie Cantwell and entire E.J. Daniel Team did a wonderful job.

The Committee of Evangelism makes the following recommendations:

1. That each church have at least two revivals this year. That there may be need for and opportunities in our association for area revivals where several churches go together for a community revival.

2. Then there is the opportunity for person to person evangelism which we believe has no substitute. In this line we recommend that each and every church participate in the "Win Institute" to be held in our association January 29 through February 1.

May God's continued blessings be yours during the coming year and let us pray that every member of every church in our association will be committed to the carry-out of the great commission of our Lord Jesus Christ.

Respectfully submitted,
Rev. Wayne Tuttle
Interim Chairman of
Evangelism Committee

MISSIONS COMMITTEE REPORT

Report No. 16

The Missions Committee had three meetings during the year. These meetings were to study the guidelines of the Superintendent of Missions and were to discuss the possibilities of changing the office location. Though, the idea at that time did not materialize, a better opportunity arose.

Due to the kindness of Mr. Claude Smith, Jr, the office is now located in the mall of the Richmond Plaza Shopping Center.

The Chairman of the Missions Committee worked with the Missionary and the Committees of the two churches in starting missions. The Derby Mission is doing well under the sponsorship of Bethel Baptist Church. Trinity Mission, sponsored by Second Baptist Church, has been discontinued.

The Committee discussed the Guidelines for the Superintendent of Missions with our past Moderator and our Missionary. Out of this came two recommendations later approved by the Executive Committee:

1. We recommend that the Moderator appoint a committee to study the guidelines and suggest such changes as may be necessary, especially in reference to personnel.

2. We recommend that the Finance Committee consider the increased premium of the Superintendent's hospital insurance and make some recommendation to the Steering Committee.

No churches made request for fellowship with us.

Respectfully submitted,
Scott Turner, Jr., Chairman
Assoc. Missions Committee

BAPTIST HOSPITAL REPORT

Report No. 20

The North Carolina Baptist Hospital has grown since 1923 from an 80-bed general hospital to a large, complex medical center. Its present ministry includes research, education and patient care.

Some of the finest medical specialists in the nation are at work at our Center, seeking the cause and cure for various diseases. Approximately 700 students are enrolled in eleven different schools. Patient care is still the main ministry of the Medical Center, with 17,557 inpatients and 51,563 outpatients - about 90% having been referred by their local doctor.

The Hospital is now operating "in the black" and the \$42 million dollar expansion program is continuing. A 14-bed coronary unit is in use and the new patient tower is expected to be ready later this year.

A Committee of 15 has been studying the Hospital operation and it will present six recommendations to the Convention in Winston-Salem. Briefly stated, the recommendations will be :

1. That the Baptist Hospital remain a vital part of the Baptist State Convention,
2. That a Medical Center Board be set up, made up of 8 Trustees from Wake Forest University and 8 from the Baptist Hospital. This Board would make recommendations to both institutions. An Advisory Council, composed of administrative officers of both institutions would handle the day-to-day operational problems.
3. That the North Carolina Baptist Hospital use the Mother's Day Offering only for charity care.
4. That the Hospital provide free medical care to match the Mother's Day money in effect, doubling the amount of the Offering.
5. That the Hospital make a serious effort to communicate with North Carolina Baptists about the ministry and needs of the Hospital.
6. That the Pastoral Care School be given full status as a vital part of the service and care of the Hospital and that sufficient funds be provided from the Cooperative Program to care for the operation and expansion of this school.

The Mother's Day Offering showed an increase over last year. Some new procedures for administering the Mother's Day Fund have been adopted in order to give greater assurance that the money is used where the need is most urgent.

The Trustees of our Hospital, along with the administration, want to express their great appreciation to North Carolina Baptists for your understanding, prayers and your support.

Respectfully submitted,
John W. Gore
Hospital Representative

BAPTIST CHILDREN'S HOMES REPORT

Report No. 21

For the past 87 years, North Carolina Baptists and their Children's Homes (the agency) have cooperated in a program of Christian child care. This relationship has been characterized, on the part of the agency by a sensitivity to real needs and a commitment to the best in child care. On the part of N.C. Baptists, there has been a lasting commitment to child care expressed in generous and enthusiastic support of the agency's ministry to this benevolent mission.

This annual report finds the agency vigorously pursuing its basic purposes. Changing patterns of family life and the involvement of government in social ministries profoundly affect the number of children needing our care and the type of care needed. More and more we are being asked to serve children with special needs beyond neglect and dependency.

The Baptist Children's Homes will not be content to provide minimal care only. We are committed to quality care which serves the whole person, providing the experiences and relationships which can enable the child to develop his full potential. Quality care costs, and the Children's Homes continues to expand and improve its services, in nine towns with an annual service to approximately 1,000 children in a continuing type of care, and casework services to 300 children for whom other plans are made.

The N.C. State Convention budget allots 6 1/2% out of each dollar it receives, for example, out of \$4 contributed by an individual - \$1 goes to the convention. The 1972 budget comes to \$503,350 and an additional amount from the 1971 Thanksgiving Offering channeled \$400,000 into our ministry of child care. We believe this ministry of child care deserves the confidence and support of N.C. Baptists.

Respectfully submitted,
Robert C. Smith
Children's Homes Representative

CHRISTIAN HIGHER EDUCATION REPORT

Report No. 22

Our seven Baptist colleges have as their common goal to seek to provide opportunities for students to seek Truth in an atmosphere of freedom, guided by faculties who are committed to God as He is revealed in Christ. We have not attained this ideal, but, with your prayers and active support, we can progress toward it year by year.

In 1971 North Carolina Baptists gave nearly \$2,000,000.00 through the Cooperative Program toward the support of our colleges. This contribution was second only to student charges as their largest source of income. Thanks to every church that had a part in it!

Campbell College	\$ 311, 688
Chowan College	192, 400
Gardner-Webb College	213, 564
Mars Hill College	270, 322
Meredith College	270, 322
Wake Forest University	467, 532
Wingate College	198, 172
	\$1, 924, 000

Many of our churches also help by contributing to the Baptist College Scholarship Offering. Some receive a special offering for this on Father's Day, while others prefer to include it as an item in the budget. We urge more of our churches to make this investment in our youth.

HIGHLIGHTS OF THE PAST YEAR

Dr. John E. Weems became the sixth president of Meredith College. He was formerly Vice-President for Finance and Administration of Middle Tennessee State University.

Gardner-Webb College received accreditation as a four-year college by the Southern Association of Colleges and Schools.

70 young men and women from the 7 Baptist colleges worked in churches across North Carolina through the Baptist Youth Corps program. They were paid jointly by the colleges and the churches.

SEMINARY EXTENSION REPORT

Report No. 24

Exciting and new things are happening in Seminary Extension work - - learning resources are available now for all pastors and certain other key church leaders from the secularly employed pastor with only a grade school education to the seminary graduate with the Th.D. degree.

The Southern Baptist Seminaries have developed a three-level course of study, which is being offered in the many seminary extension centers. A person may enter at any degree of study, which best fits his particular needs, (a) The Basic Curriculum is designed for the person who prefers easy to ready study materials; (b) the College-Level curriculum is planned for persons who prefer study on a level chal-

lenging to most people who have had any high school or college training, including seminary graduates desiring refresher courses; (c) The Continuing Education Curriculum is set up for those who desire a more advanced study with special appeal to the seminary graduate.

The Pee Dee Association has tried to set up a Seminary Extension Center on a continuing basis. In 1968-69 courses in the Old and N.T. Survey, music and religious education were provided with fair participation.

Last year a basic course in Pastoral Ministries 25 was offered. Twelve pastors took the ten week course of study. The response was good. Tommy Lovorn, Pastor of the First Baptist Church, Cheraw, S.C. was the teacher. The State Convention awarded scholarships to those who attended.

There has been no further courses of study offered. Priority was given during the spring and summer to crusade. Also, it is worthy of note that the Richmond Technical School has been sponsoring two courses of study, in which a good number of our people have enrolled. Chaplain Franks is teaching a course in pastoral counselling; also, a course in choir directing is being repeated due to the interest of choir members and music leaders.

Hopefully the Seminary Extension director and committee will put together some courses of study, which will appeal to pastor and laymen. There are other courses of study that would appeal to our people, and meet a real need in leadership training.

Respectfully submitted,
Wayne Riddle, Chairman
Seminary Extension Committee

ORDINATION ADVISORY COMMITTEE REPORT

Report No. 25

Recognizing that we are in a time when the prevailing attitude toward Christ's Kingdom is that of unconcern and indifference, yet, let us continue to thank and praise our God. For there is ample and visible evidence that God is moving in his Churches. Our God is ever providing leadership for his Churches by calling men into the Gospel Ministry.

During this past year our committee received requests from the following Churches to examine candidates for the Gospel Ministry.

The First Baptist Church of Hamlet, N.C. requested the examination of James S. Ritter, Jr. for the Gospel Ministry.

The Roberdell Baptist Church of Rockingham, N.C. requested the examination of Zeb Jones for the Gospel Ministry.

The Bethel Baptist Church of Ellerbe, N.C. requested the examination of Thomas Leon Butler of Rockingham, N.C. for the Gospel Ministry.

Our committee met on November 14, 1971, and again on December 16, 1971. In these respective meetings we carefully and prayerfully examined each of these three young men. Being satisfied that God had called them into the Gospel Ministry we made recommendation to their respective Churches that proceeding be arranged for their ordination.

Respectfully submitted,
Doran E. Cook, Ordination Advisory Committee

INTERRACIAL COOPERATION COMMITTEE

Report No. 26

There were two call meetings of the Committee and the Chairman reported to the Associational Executive Committee at its January meeting, presenting the following recommendations:

1. Encourage associational and church leaders to make an effort to know and understand special problems in race relations and to act to help solve them.

2. Appeal to all of us to maintain a Christian Attitude towards the desire of black people to become first class citizens.

3. That we recognize that no "crash" program will solve our mutual problems, but that whites and blacks must be willing to work long and patiently together.

4. That we encourage and commend the Associational VBS Director in his efforts to work with Moore County Baptists in providing a VBS at Cameron Morrison School.

5. That we survey the churches to learn what they are doing in the field of interracial activities.

6. That we observe Race Relations Sunday, Feb. 13, 1972.

The Chairman asked the Executive Committee for advice and ideas. She has also been in contact with the State Convention Director of Interracial Ministries, Mr. Corbin L. Cooper and has secured materials from him related to this work.

A survey questionnaire sent out to the churches on Sept. 20, 1972 revealed the following interracial activities by our churches and association:

CORDOVA - Invited a large group of boys from Cameron Morrison School to a Youth Week Service.

HAMLET, FIRST - Had blacks attending the Crusade Counselor Clinic, Hamlet Nurses Reception and worship, Hi-Y, Easter Sing Group and the pastor has counseled with several black couples.

LAURINBURG, FIRST - Observed Race Relations Sunday Feb. 13, 1972 and also assisted a church of another race.

MCDONALD - Pastor offered his services for a VBS at Cameron Morrison School.

SPRING HILL - Participated in an ordination service in a black church.

Also, the Greater Pee Dee Area Crusade, April 30 - May 14, 1972 was attended by many blacks and they were involved in committee work. The Ministerial Associations are integrated and the Missionary has been an active member of the "Steering Committee of Richmond County Organizations for Older Persons." The Committee Chairman has long worked with blacks through various civic organizations.

Respectfully submitted,
Mrs. E.L. Jones, Chairman

THE ANNUITY BOARD REPORT

Report No. 27

The Annuity Board serves Southern Baptists by offering retirement, health and life insurance coverage for pastors, other church staff members and denominational workers.

Only slightly more than half of the churches in the Southern Baptist Convention have retirement coverage with the Board for their pastors and other staff members.

With the addition of two churches this year, there are now 20 churches in the Pee Dee Baptist Association, plus the Association, having this coverage. It is easy to see why the small, weak churches find it difficult to finance such coverage, but some of our stronger churches are also without it.

While few would claim that the retirement income offered by the basic plan is adequate for today's inflated economy, it will still be the only income that many pastors can look forward to. When it is supplemented by plans "B" and/or "C", or when it is paired with Social Security, it can go a long way toward providing a livable income for the years when a pastor can no longer serve.

Many churches pay 10% of the pastor's salary into the retirement program and some also pay his health and life insurance premiums. Every church in the Association would do well to ask itself if it is doing what it is able to do in this field. Dr. Alton Reed retired during this past year and has been succeeded by Dr. Darold H. Morgan as the new Executive Secretary, beginning March 1, 1972.

The Board has always tried to invest its reserves in ways to realize the highest returns commensurate with safety. During this year it has adopted stricter guidelines regarding the types of businesses it will invest in - to avoid any conflict between the Christian moral principles we teach and preach and the products we invest in. All taxes are paid on properties owned by the Board.

Respectfully submitted,
Madison Gammons, Representative
of Annuity Board

ASSOCIATIONAL MISSIONARY'S REPORT

"Thanks be unto God for His unspeakable gift!" This Scripture expresses how Ruth and I feel for God's goodness in raising us up again, following a light heart attack Oct. 1, 1971. We are thankful also for the prayers of Christian friends and for the fine way the Associational Leaders stepped in and carried on the work while I was out of the office.

Several events which occurred during the past Associational year deserve mention:

1. The Greater Pee Dee Area Evangelistic Crusade, which required months of hard work by hundreds of people, preparing, promoting, praying for and carrying through with this effort. The overall results exceeded our highest hopes and expectations.

2. Moving the Associational office to the Richmond Plaza Shopping Center gives us about 50% more usable space, with improved convenience, attractiveness and accessibility. The Association owes Mr. Claude Smith a debt of gratitude!

3. Two Church-type Missions were added to our number. The Derby Mission, sponsored by the Bethel Church and the Trinity Mission (meeting at Kampus Kourts, on U.S. 74) sponsored by Second Baptist, Hamlet. We assisted in the development of Guidelines of both Missions.

4. We were instrumental in getting RTI to offer courses in choir directing and congregational song leading, plus a course in counseling for pastors. We appreciate this school's helpfulness.

5. Publication of the Associational Newsletter has been upped to twice a month for more effective promotion of our work.

6. Mrs. Billy G. (Joyce) Rivers is now our secretary at the Associational office.

STATE MISSIONS REPORT

The State Convention, like every other Baptist body, exists as a means to enable the churches affiliated with it to fulfill the Great Commission by carrying the good news of the Gospel throughout North Carolina. It is an integral part of our World Mission Program, working closely with some 80 associations and the various boards and agencies of the Southern Baptist Convention.

Existing churches are strengthened through State and regional conferences, clinics and workshops, providing training for the leaders of the various program organizations in our churches. Trained specialists are also available to the associations and each department supplies a steady flow of resource materials for use in the associations and/or in the churches.

The Missions Division works to help extend our Baptist witness. Most of the 65 associational missions programs are aided financially and an area missionary is supported for the mountain area, west of Asheville. New churches are helped with pastoral aid support, building loans, property purchase grants, etc. It also includes resort, deaf and language ministries, week-day ministries, youth and family services, chaplaincy, seminary extension and others.

North Carolina Baptists support six Baptist colleges and one university (Wake Forest), the Baptist Hospital, Baptist Childrens' Homes, Baptist Homes for the Aging, Fruitland Bible Institute (for pastors who have not had the benefit of college training), Caswell Assembly, Caraway and Truitt Camps. All of these institutions minister in the name of Christ and for North Carolina Baptists.

Our State Convention is supported by Cooperative Program gifts, State Missions Offerings and designated gifts to the various institutions. Dr. Perry Crouch, General Secretary-Treasurer, and his dedicated staff of co-workers, look to the churches for the means to carry on this multiple ministry in your name.

HOME MISSION BOARD REPORT

The Home Mission Board, along with the Foreign Mission Board, is an arm of our local churches in helping to carry the news of the Gospel where it is news to the end that its goal, "Our Land For Christ" may become a reality.

The United States is still a vast mission field, despite the fact that over 50% of the population is affiliated with some church. There are eighty million who are not related to any church and a high percentage of those on church rolls have no active relation to their church or to the work of Christ.

Winning America for Christ is all the more important because our ability to carry the Gospel to the ends of the earth is directly related to the growth and vitality of churches here in the homeland.

In 1971 the Home Mission Board had an average of 2,229 missionaries serving in all 50 states, Puerto Rico and Panama. There are no missionaries in Cuba now, but the HMB gives financial support to the Cuba Baptist Convention and reports indicate that God is blessing their work in spite of many difficulties. In addition to these, 956 summer missionaries served for 10 weeks (690 were sponsored by the HMB and the others by the BSU). Also, 65 church youth groups were assigned projects and the Board had received 106 requests for youth and choir groups in 1972.

After almost no increase in 1970, gifts to Home Missions increased 5.5% in 1971. Cooperative Program gifts were \$5,305,067 and the Annie Armstrong Offering for Home Missions set a new record of \$5,345,551. The Board is grateful for this increased support. It must be pointed out, however, that the increase barely kept pace with the increase in the cost of living.

The Board has been increasing the salaries of those missionaries who come under the HMB salary scale for the past several years and in 1971 \$200,000 in reserve funds had to be used for this purpose.

The number of chaplains on active duty has declined as the war has been declining. There were 603 chaplains in the military, 43 in the Veteran's Administration, 166 hospital, 75 institutional, 19 industrial and 107 in the Civil Air Patrol. Chaplains reported 11,238 professions of faith.

The HMB assists 750 Supts. of Missions in over 1,200 associations through special conferences during Home Mission Week at Ridgecrest and Glorieta, various publications, tracts on duties of associational officers and committees, etc.

The Board rejoices to learn that an estimated 412,000 persons were baptized by our churches in 1971. This is the third highest in SBC history!

The Home Mission Board asks for your continued support that we might, with God's help, make "Our Land For Christ"!

FOREIGN MISSION BOARD REPORT

No new countries were entered during 1971 (an attempt to enter Egypt did not work out), but 226 new missionaries were appointed. There were 201 losses in missionary personnel during the year from death, retirement, rotations of auxiliary personnel and resignation, bringing the net total of missionaries under appointment up to 2,526 serving in 75 countries.

The tragic deaths of Paul and Nancy Potter in the Dominican Republic saddened people everywhere, but a sense of recommitment has been experienced as missionaries have seen again the supreme price which may be necessary to serve Christ faithfully to the end.

Southern Baptists ministered to 55,963 inpatients and 941,682 outpatients through 20 hospitals and 151 clinics and dispensaries last year. We also support 221 elementary, 63 secondary schools, 19 colleges and 71 theological schools.

There are 6,045 churches and 5,965 mission points, with 720,872 members served by our missionaries and 5,296 national pastors in the 75 countries. They reported 56,905 baptisms in 1971.

We ministered to 1,017 children through 20 childrens' homes.

Gifts to foreign missions in 1971 totaled \$32,779,034.00 Cooperative Program gifts were up 7.32% to \$14,863,351.00 and designated gifts (mostly Lottie Moon Christmas Offerings) were up 6% to \$17,915,683.00. This was encouraging, but growing inflation and the devaluation of the dollar reduced the value of these gifts. Young people continue to surrender to the call to mission service, but the resources of the Foreign Mission Board do not permit it to come close to meeting all the calls for new missionaries.

Deep spiritual stirrings on many mission fields have quickened the tempo of witness and service and have brought joy to God's servants through enriched fellowship and personal blessings.

The problems of witnessing in great cities is found throughout the world, with the high cost of land and other factors making the establishment of churches difficult. Emphasis is being given to the utilization of radio and television, with stress being placed upon cassette recorders so that the gospel can be made known even in remote places.

The changed relationships between Red China and the U.S. raises the hope that one day our missionaries will be permitted to return to the most populous country in the world. (estimated population - close to a billion people)

The Foreign Mission Board is your Board and our missionaries are grateful for the steady increase in support which Southern Baptists have given them through the years. They look to us in 1972-1973 and until our Lord returns, to continue this increased support through prayer and the giving of our money.

Mr. Melton was a friend to all. He reached out for a goal in life and he attained it.

In recognition of his Christian spirit and service in the cause of Christ we dedicate these minutes.

The Minutes are in

Honor of

JAMES BENNETT WILLIS

Born in McColl, S. C. on December 5, 1882 to Eli and Flora M. Willis; Educated at Wake Forest College, and Southern Baptist Theological Seminary; Ordained August, 1908; Married Marie Thornton of Fayetteville, N. C. August 16, 1911 (deceased 1947); One daughter, Miriam Carlyle (deceased); Married Margaret Ross Hudnell, Nov. 24, 1951.

Dr. Willis pastored churches in Jonesboro, Sanford, Morehead City before coming to First Baptist Church, Hamlet in 1922. He retired after 37 years in April 1959. He served as trustee for Wake Forest College; North Carolina Baptist Orphanage; member, North Carolina Board of Missions; Chairman Richmond County Board of Welfare; Chairman, Board of Directors of Hamlet Hospital; preached Annual Sermon at State Convention, 1938; Moderator, Pee Dee Baptist Association, 1942-1951; served as volunteer chaplain for Hamlet Hospital for many years after his retirement.

First Baptist Church, Hamlet, honored him by observing "Dr. J. B. Willis Day" in 1959 and again in 1969. Dr. Willis believed in and strongly supported the mission program of his denomination throughout his long ministry. He was a beloved friend to his fellow pastors. As these words are written, he is a patient in Hamlet Hospital, where he has been for several months since breaking his hip. It can be truly said that Hamlet is a better place because of the life and ministry of this man!

Constitution

PREAMBLE

We, members of Baptist churches in Richmond and Scotland Counties, State of North Carolina, do hereby propose to establish and maintain the order and rules of an Association in conformity to the following plan:

ARTICLE I—NAME

The name of the association shall be the Pee Dee Baptist Association of North Carolina.

ARTICLE II—PURPOSE

The purpose of the Association shall be to promote Christian fellowship and cooperation among the churches affiliated with it; to uphold the doctrines and principles of our Baptist faith and to encourage the churches to be loyal to and practice those doctrines and principles; to promote the preaching and teaching of God's Word; the enlisting and training of all Christians for service; to promote missions, benevolences, stewardship, Christian education, and the winning of all men to Christ to the ends of the earth.

ARTICLE III—MEMBERSHIP

Section 1. The Association shall be composed of the officers of the Association, and pastors and messengers from churches affiliated with it. Affiliated churches shall be those which continue Baptist in faith and practice, and that cooperate with the Association, and that support the Association and the agencies of the State and Southern Baptist Convention.

Section 2. The Association shall be sole judge of its membership and may receive churches into its fellowship, or reject churches, according to its Constitution and By-Laws. Affiliated churches may also withdraw as they desire.

Section 3. Churches desiring to affiliate with this body shall apply to the Committee on Missions. If recommended by this Committee, they shall submit a written request to the Committee on Petitionary Letters including such recommendation, at least sixty days before the meeting of the Annual Meeting of the Association. If recommended by this Committee and accepted by a majority vote of the Association, the church shall agree to come under the watch care of the Association for a sufficient time to satisfy the Association of its intent to continue, through practice and attitude, a cooperating Baptist church. Upon the recommendation of the Committee on Petitionary Letters, acceptance into the full fellowship of the Association shall be confirmed by vote of the Association. During this period, members of such churches shall be entitled to all rights and privileges of the Association, except holding office and voting.

Section 4. The Association shall not maintain fellowship with any church that neglects to maintain a spirit of cooperation with the Association, or fails to support the causes fostered by the Association, or that departs from the principles of the Christian faith as taught in the Bible and believed by Baptists.

Any church failing in cooperative practice shall be visited by the officers of the Association with a view to correcting such failures. In the event of the church refusing to correct failures found, upon the recommendation of the officers of the Association, the Association may by two-thirds majority vote of those present and voting withdraw fellowship from such church.

ARTICLE IV—MEETINGS

Section 1. The association shall meet in annual session the week following the third Sunday in October on the day, or days, and at such hours as the Executive Committee may approve, upon recommendation of the Committee on Order of Business.

Section 2. Special meetings may be called by the Moderator, provided two weeks notice is given to all affiliated churches.

Section 3. Churches of fifty members or less shall be entitled to three messengers. One additional messenger shall be allowed for each additional fifty members or major fraction thereof, provided no church shall be entitled to more than ten messengers. These shall constitute the voting body of the Association. The names of messengers printed in the Minutes shall only include these attending and registering at the sessions of the Association.

ARTICLE V—AUTHORITY

Section 1. The association is an autonomous body and therefore reserves the right to determine its own policies and direct its own business; it may refuse to seat messengers who are not in fellowship or doctrinal agreement with the body, or whose churches are not.

Section 2. The association shall never exercise any authority over, or give direction to, any church or churches which are affiliated with it; but the association will stand ready to lend any assistance or counsel to any church making requests for such help.

ARTICLE VI—OFFICERS AND THEIR ELECTION

Section 1. The officers of this Association shall be the Moderator, Vice Moderator, Clerk, Treasurer, Sunday School Director, Church Training Director, Woman's Missionary Union Director, Brotherhood Director, Music Director, Auditor, Historian and Parliamentarian.

We recommend the following changes in the Constitution and By-Laws:

1. Article IV—MEETINGS, Section 1. "The Association shall meet in Annual Session the week following the third Sunday in October on the day or days, and at such hours as the Executive Committee may approve, upon recommendation of the Committee on Order of Business."

2. Article VI—OFFICERS AND THEIR ELECTION

Section 1. Add the word "Historian" after the word "Auditor".

Section 5-b Delete this paragraph in its entirety.

Section 2. Add a second paragraph as follows:

"Should the office of Vice-Moderator become vacant during the year, a new one shall be elected at the next Executive Committee meeting, after nominations from the floor, to serve out the unexpired term."

3. Article VIII—EXECUTIVE COMMITTEE. Change the words "one lay member" to "two lay members".

4. Article IX—THE ASSOCIATIONAL COUNCIL. Add the words "and the Chairmen of the Committees on Evangelism and Missions" to the first sentence, following the word "Constitution" and before the period.

5. By-Law IV—DUTIES OF COMMITTEES

Section 2. Add a 6th duty of the Missions Committee:

(6) The Committee on Missions shall make recommendations concerning salaries and other benefits for the Superintendent of Missions and other employees to the Committee on Finance for the Associational Annual Budget."

Section 6. This section would be rewritten as follows:

This approval only qualifies them for summer training opportunities and allows them to begin planning the next year's work and to work with their departments. All officers, except the moderator and vice-moderator, who shall be nominated from the floor, shall be nominated by the Committee to the Association at its Annual Meeting. This Committee shall also nominate representatives for institutions and agencies as directed by the Association.

The Committee's nominations shall not preclude nominations from the floor and all nominees shall be contacted before nomination."

1973 STEWARDSHIP-COOPERATIVE PROGRAM REPORT

Report No. 2

Increasing the percentage given through the Cooperative Program is an excellent follow-through for the special offerings your church receives.

Failure to have a good follow-through, in anything, would be frustrating at the least and tragic at the most. Failure to have a good follow-through when you are fishing would cause all of your fish to get away and this would be frustrating. It would be tragic not to have a good follow-through in a baptismal service.

A good follow-through is the lifeline between good planning and good results. You will get excellent results if you plan well your special offerings and let your major emphasis be on the life-line: YOUR COOPERATIVE PROGRAM.

Would your church give more if you received more money? If so, you need to have a thorough stewardship program in your church.

Last year 1,138 churches increased Cooperative Program giving by 10 percent or more over what they gave the previous year. Four of the associations in North Carolina had 100 percent of their churches giving through the Cooperative Program in 1972. These four associations were: Anson, Flat River, Tar River, and Yates.

Will you do four things?

1. Lead your church to increase its gifts through the Cooperative Program and to the Association by at least 10% .
2. Have special prayer for your missionaries and other Cooperative Program causes at each service during the October Cooperative Program month.
3. Send a MONTHLY check for the Cooperative Program to the Baptist State Convention of N. C., P. O. Box 26508, Raleigh, N. C. 27611.
4. Help us have a STEWARDSHIP WORKSHOP in your association next spring or summer to (1) Discuss the need for salary increases for Pastors and Staff; (2) Learn about available program helps for church stewardship programs; and (3) Receive a report on your progress toward YOUR GOALS for Associational and Cooperative Program giving.

Gerald Owens, Representative

BIBLICAL RECORDER REPORT

Report No. 3

This has been another good year for the BIBLICAL RECORDER, thanks to your support and confidence. One of the milestones reached in the past year was passing the 100,000 mark in circulation. This occurred in May and circulation has now risen to nearly 106,000, the highest in the 140—year history of the RECORDER. This has been achieved largely because more churches are putting the RECORDER in the budget, thus saving money and also time and effort that is put forth each year to renew their subscriptions under the Club Plan of four or more.

As you know, the RECORDER has for years led the fight against liquor by the drink. Now the issue is up to the people in a statewide referendum on November 6, 1973. The RECORDER will continue to give you information that will help win this fight against the liquor interests and those who would profit from liquor by the drink if this passes—which we hope and pray it won't. If individual Baptists will become as concerned about this evil as the RECORDER is, a great victory for decency will be won in November.

Those of you who receive the RECORDER know what it contains each week—timely editorials, news of your fellow Baptist churches and fellow Christians, excellent photographs

and covers, interesting personal columns, Letters to the Editor, and many other features. It is a Baptist family journal devoted to that which is wholesome and helpful.

Respectfully submitted,
Mrs. Dick Ransom,

1973 ASSOCIATIONAL BAPTIST FOUNDATION REPORT

Report No. 4

The North Carolina Baptist Foundation, Inc., is a charitable corporation, chartered under the laws of the State of North Carolina by the Baptist State Convention in 1920. The Foundation, as an agency of the Convention, encourages, receives, and manages gifts and bequests for benefit of all Baptist institutions, agencies, and causes fostered and supported by the North Carolina and Southern Baptist Conventions. The Foundation is not a competitive agency, but a service agency dedicated to the task of undergirding all Baptist work. It encourages the donor to use the local church as a channel for directing the income from Foundation trusts to the benefiting cause. The operating expense of the Foundation is received from the Cooperative Program of the Convention.

The Foundation Executive Secretary is available to assist churches and individuals interested in a program of perpetual stewardship, particularly as it relates to estate planning, involving gifts to Baptist institutions, agencies, and causes. The Foundation provides a means for establishing trusts to benefit these Christian causes as well as providing an opportunity for perpetual stewardship witness. Through gifts of property, cash, or securities during lifetime, donors and/or other beneficiaries can receive annuities from the Foundation during their lifetime, and can also receive certain tax benefits provided for such gifts.

Responsibilities for the administration of the Foundation is vested in a fifteen-member board of directors elected by the Baptist State Convention. The present board consists of thirteen prominent and successful business and professional men and women and two outstanding pastors, all of whom are dedicated to the best management of the sacred trust funds now placed in the Foundation. The investment policy calls for investment in quality securities with diversification, good income, and balanced growth potential.

Additions to the investment principal by donors and from property sale and rentals totalled \$54,204.92 for the fiscal year 1972-73. As of June 30, 1973, the cost or inventory value of all securities, notes, and principal cash of all funds being administered by the Foundation was \$801,292.96. Real estate held by the Foundation was valued at \$861,167.54, making the total value of all properties administered \$1,662,460.50.

During the 1972-73 year, beneficiaries of existing trusts were paid \$23,934.61: A total of \$129,465.69 has been paid to Baptist institutions, agencies and causes during the past six years from the income of invested Foundation funds.

ANNUAL ASSOCIATIONAL EVANGELISM REPORT—1973

Report No. 5

"SHARING CHRIST NOW" was the theme of the 27th Statewide Evangelism Conference at Ovens Auditorium, Charlotte, February 5-7, 1973. Over 2,400 pastors and lay persons were

challenged by outstanding speakers to lead their people to become more involved in the work of evangelism.

It is thrilling what the Holy Spirit is doing through the ministry of our first summer youth evangelism team. Three college students, Steve Stout, Cooleemee; Terry Crouse, Lenoir; and Christy Farrier, Williamston; are leading in music, preaching in youth revivals, and directing youth witness training sessions in churches from Marshall to Washington.

During the week of June 11-15 over 730 youth and adults were present for the Youth Ministries Week at the North Carolina Baptist Assembly, with the emphasis on Evangelism, Vocational Guidance, and Recreation. Eighty-one youths made various decisions, including sixteen professions of faith.

The response of youth and adults to Lay Evangelism Schools in the past twenty months has been outstanding. 9,564 youth and adults have participated in this lay witness training from 720 churches and 34 associations. Also, 107 pastors from nine associations shared in a Pastor's Retreat to learn how to lead their churches in Lay Evangelism Schools.

The 28th Statewide Evangelism Conference will be at War Memorial Auditorium, Greensboro, during February 4-6, 1974.

Let us thank God for the excellent reports of revival meetings, city-wide crusades, and evangelism clinics. Remember to pray for the TOGETHER WE ADVANCE emphasis that we may strive to attain a 10% increase in baptism, C. P. gifts, Bible study enrolment and Assoc. Missions gifts.

The Evangelism Committee of the Association has been very busy during the past year. During the month of February 1973 we sponsored two "WIN" Schools in our association. We had one school at the Stewartsville Church in Laurinburg with Rev. Cecil Segal of Charlotte as the leader, and the other school at Pine Grove in Rockingham with Rev. Charles Hinson of Albemarle as the leader. We enrolled 134 in our two schools with an average attendance of 86. There were 17 professions of faith during the Thursday night visitation.

The Evangelism committee also sponsored a Youth Crusade with Rev. Donnie Cantwell as the Evangelist. These meetings were held at the Fairview Heights School Auditorium in Hamlet. There were 97 decisions of which 14 were professions of faith and 73 rededications and 10 for full time Christian service.

Will you continue to pray for your Evangelism Committee?

Rev. Wayne Tuttle, Chrmn.

MEMORIAL SERVICE

Report No. 6

Just as the fabric of life is made of many colors reflecting sunshine and darkness, ease and pain, joy and sorrow, love and disappointment, so the fabric of church life is also made up of many experiences, dedications, and emotions.

The emotion of sorrow is at times quite pronounced in all our churches. During the past year in our churches we have lost loved and valued members. There have been deaths which we call premature and which, in some instances, are difficult to understand and accept. We have also witnessed the passing of many persons who had lived well over a period of many years until they became increasingly frail and the battle for health was gradually lost. Whatever the length of life of those who have been removed from our midst we feel a deep sense of loss in their going. We pause now to remember those whom we have lost and to express our thanksgiving to God for their lives and their ministry to the church and the Kingdom.

We are grateful that, as disciples of Jesus Christ, "we sorrow not as those who have no hope." We agree with Bernard of Clairvaux who said, "Death is the gate of life", and with William Jennings Bryan's statement, "Christ has made of death a narrow, starlit strip between the companionships of yesterday and the reunions of tomorrow." We are reassured in the words from the Revelation (14:13), "Blessed are the dead which die in the Lord from hen-

ceforth: yea, saith the Spirit, that they may rest from their labors; and their works do follow them."

The late Elbert N. Johnson, who labored for our Lord in this Association, interpreted death as a third "birth" experience. In his book, "The Master is Here", Mr. Johnson wrote: "The Great Pioneer of life calls each of us, as living creatures, to follow Him at all costs—even at the price of losing an eye, hand or foot—all the way into Life. Every redeemed and normal person who follows Him to the point of growing 'up in all things unto Him' passes through three conditions of being and three corresponding states of consciousness. They are clearly designated in the Book of Life. The FIRST condition is that of the 'natural' man—one in vital touch with the material world but not in a saving touch with God. The SECOND state is that of the 'spiritual' man—one still enmeshed in the material order but also in vital touch with God. The THIRD is that of the 'glorified' man—one freed from the limitations of the material and completely alive to God. This is the 'glory' birth."

Today we thank God for those who have experienced the "glory" birth and are now with their Lord.

Let us stand as we express our gratitude to God for those who have finished the course, kept the faith, and made their departure.

1973 SUNDAY SCHOOL REPORT

Report No. 7

We conducted the following activities during the past year:

1. Pee Dee Baptist Pastors' Retreat held at Camp Caraway Oct. 27-28, 1972, with Dr. Thorwald Lorenzen, Professor of New Testament at Southeastern Baptist Theological Seminary, teaching the Book of Galatians (the '73 January Bible Study Book).

2. Two one-night Sunday School Revivals were held in Richmond and Scotland Counties in February. They were led by State Sunday School staff members.

3. The Associational Vacation Bible School Clinic was held at the First Baptist Church, Hamlet, April 30. A team of VBS workers from the Sandhills Baptist Association conducted the Clinic for us, since our own team did not make it to the State VBS Clinic at Wingate.

4. Sunday School Launch Night was held at the First Baptist Church, Rockingham, Sept. 25. An excellent program was presented, consisting of three testimonies about Sunday School progress in three of our churches, hymns by the Cartledge Creek Baptist Church choir and an inspirational message.

Preliminary reports on Vacation Bible Schools seem to indicate an increase in attendance over a year ago. Several churches either already have, or are preparing to begin a bus ministry. A few churches conducted day camps with good attendance.

We have enlisted a complete list of age group workers and we believe this will enable us to accomplish more in helping the Sunday Schools of our churches in '73-'74.

Our plans for the coming year include:

1. A Pastors' Study of the January Bible Study Book (Colossians) in November.

2. A team of VBS workers will attend the State VBS Clinic at Wingate and then conduct two

Clinics in our association in the late spring.

3. A group of our Associational Sunday School leaders will attend a workshop for training in early spring and later offer the same training in a "Church Association Training School".
4. Other priorities for 1973-'74 are:
Association People Search
Association Growth Campaign
Conference on Growth

1973 CHURCH TRAINING REPORT

Report No. 8

Acts 1:8 gives us the Commission to be witnesses and the Lord tells us he will give us the power to share that witness with the entire world.

Christians like students must study and train themselves if they are going to be effective in their witnessing. This is the goal and purpose of Church Training. Southern Baptist participation in Church Training for the past several years has declined and this has made the job of securing qualified persons for teachers and leaders in our Churches much more difficult.

How long are we going to let this trend of decline in our Church Training last? In Matthew 9:37 Jesus said to his disciples, "The harvest is truly plentiful, but the laborers are few." We must seek ways to encourage and inform our Southern Baptists of the seriousness of letting ourselves be members of an untrained army in our duty of winning souls to the saving grace of Jesus Christ.

The Church Training Department has as its slogan, "Church The Sunday Night Place To Be." I encourage the Pastors and Leaders of our Churches to band together, pray together and work together; so as to do whatever is necessary to keep our churches lighted on Sunday Evening. Then, we may reverse the decline in Church Training and increase full church membership participation.

1972, "M" Night was held November 20 at the First Baptist Church of Ellerbe, with Rev. James L. Powell, Jr., Pastor of the First Baptist Church of Laurinburg, as the inspirational speaker.

1973 WOMAN'S MISSIONARY UNION REPORT

The role of the Association is to assist churches in their work of bringing men to God through Jesus Christ. The Associational WMU is one of several programs in the Association. The church is central and the work of the Associational WMU is to assist churches in performing the following tasks:

- (1) Teach Missions
- (2) Engage in mission actions
- (3) Support World Missions through praying and giving
- (4) Provide and interpret information regarding the work of the Church and Denomination.

In fulfilling our responsibilities, the Associational WMU Council has kept churches aware of current missions, provided training conferences and information regarding denominational

programs.

The Pine Grove Baptist Church was the center for the study of the Home Mission Book, INTERFAITH WITNESS, in March of this year. The Supt. of Missions, Austin Lovin, taught the book to a large number. As a result of this study, he has been, and is still actively engaged in teaching it to smaller groups, even outside our denomination.

Miss Hattie Gardner, retired missionary from Africa, made the women at the WMU Annual Meeting, held in May at the First Baptist Church, Laurinburg, come alive as she spoke of her 37 years of laboring together with God. Such vitality and determination to continue to serve Him made all present keenly aware of how little we do with so much more to do with!

Miss Sara Ann Hobbs, State Executive WMU Executive Director, met with us in June and clearly defined our work. Several attended WMU week at Ridgecrest for Training; most of our age level leaders went to Mundo Vista in September for additional training; a bus load of church WMU leaders went to Charlotte for a Workshop on Sept. 20th and some fifty women attended a workshop at the First Baptist Church, Rockingham, on Sept. 27th.

The Associational WMU leadership will go wherever requested to organize and/or train workers.

With thanksgiving and pride for capable, consecrated and dedicated leaders of the Associational WMU Council and in our churches, I believe that God will continue to pour out His blessings as together we fulfill the responsibilities we feel He has called us to do in this portion of His vineyard.

We find a sweet, sweet spirit throughout the fellowship of our churches as pastor and people obey the clarion call to go tell the Good News of redemption through Jesus Christ! To God be the Glory!

Respectfully submitted,
Mrs. Ruth C. Lovin
Associational WMU Director

1973 BROTHERHOOD REPORT

January 18, 1973, John Watson was speaker at the Gibson Baptist Church, Gibson, N. C. This meeting was also held to booster the Baptist men and R. A.'s work in the Church.

Congratulations goes to the Roberdel Baptist Church for having one of the largest R. A. programs in the Association. This past spring, the Roberdel Baptist Church sponsored a Royal Ambassador Rally. Rev. Bob Watson of Raleigh was the guest speaker. All of the churches in the Pee Dee Baptist Association were invited to attend. Rev. Austin Lovin, John Watson, and many others were present.

Camp Caraway opened its doors June 11, 1973 for the Royal Ambassadors. All of the churches in the Associational were encouraged to take part. It was also stressed and encouraged by the Associational News Letter and by personal contact. The National Royal Ambassador Congress was held in St. Louis this year and was also promoted.

John H. Watson, Director
Associational Brotherhood

1973 MUSIC REPORT

Report No. 11

Twenty-seven of our churches have some kind of music program, according to the 1972 Annual Minutes. This means that ten churches do not have any kind of music program.

Most of our churches provide a choir for adults, but many of them do not have a regular choir or music activities for children and youths.

Only a few of our churches have paid music directors. This will, no doubt, always be true, both because of limited finances and the limited number of trained music directors. This means that we need to continue to offer opportunities for volunteer directors to improve their skills through music clinics of various kinds.

The First Baptist Churches in Laurinburg and Hamlet have Handbell Choirs and the First Baptist Church, Rockingham have ordered a set of Handbells.

Suggestions have been made for an Associational Choir, A Youth Choir and a Men's Chorus. These could be used at our various associational meetings, to present Christmas and/or Easter Cantatas, bear a Christian witness through song in shopping centers and serve as a means of fellowship among members of our various churches.

Respectfully submitted,
Mrs. Sylvia G. Stewart,
Associational Music Director

Pee Dee Baptist Association
P. O. Box 1396
Rockingham, N. C. 28379

Gentlemen:

I have examined the balance sheet of the Pee Dee Baptist Association as of September 30, 1973, and the related statements of income and expenditures for the year then ended.

Our examination was made in accordance with generally accepted auditing standards, and accordingly included tests of the accounting records and procedures as we considered necessary.

In our opinion, the accompanying balance sheet and statements of income and expenditures present fairly the financial position of the Pee Dee Baptist Association at September 30, 1973.

T. Glenn Long,
Accountant

Auditor's Note:

A vastly improved system of bookkeeping is now in use, and Mrs. Rivers is certainly to be commended for the excellent manner in which she is performing her duties, and for her neatness and accuracy.

ASSOCIATIONAL COUNCIL AND EXECUTIVE COMMITTEE RECOMMENDATIONS

Report No. 18

The Associational Council and Executive Committee makes the following recommendations:

1. We move that the Monday after the third Sunday in each month be set aside in the local church calendar for an association-wide meeting.

Comment: The purpose behind this is to enable the churches and the association to work together more harmoniously by having a particular date each month when most (but not all) associational meetings will be scheduled. By their very nature, a few associational activities may not be able to fit into this schedule. If the churches will cooperate by clearing this date of conflicting meetings, it could work to the good of the association and the churches.

2. We recommend the establishment of an Associational Youth Council with two (2) representatives from each church and four adult advisors, ex officio members being the Moderator and the Supt. of Missions, and that the constitution be changed to comply with this motion.

Comment: Many associations have had youth councils for some years. We believe such a council will enable our young people to have a part in planning and promoting their own programs. This should result in greater participation in more activities designed for them.

3. We recommend that the association have an Annual Associational Carol Program under the leadership of the Associational Music Director. The program would include selections by the choirs of the churches in the association.

Comment: This is a step toward the development of an associational music program, which could eventually include an associational choir, with programs being presented at shopping centers and other places. It is not intended to take the place of the annual carol sing in the churches.

1973 NORTH CAROLINA BAPTIST HOSPITAL REPORT TO THE ASSOCIATIONS

Report No. 22

In May of this year Baptist Hospital observed its 50th Anniversary. The hospital opened its doors in May, 1923 "to bring the healing art more definitely under the dominion of the Great Healer.

The anniversary was celebrated jointly with the dedication of the new Reynolds Tower, a 16-story patient care facility. The completion of the Tower brings the total bed capacity to 655, placing Baptist Hospital within the top 10 per cent (in size) among hospitals in the United States. When the renovation of older sections of the hospital is completed the total number of beds will be 717.

Construction has begun on an ambulatory care building which will house the emergency room, several outpatient clinics, the Physical Therapy Department, and an Oncology (Cancer) Clinic and Research Laboratories. This building and the above-mentioned renovation will complete the present Medical Center Development Program.

Last November the Baptist State Convention heard the report of the Committee of 15 and adopted its recommendations. The hospital has been seeking to implement these recommendations:

1. A Medical Center Committee, composed of 8 Trustees from the Baptist Hospital Board and 8 from the Wake Forest University Board, has been appointed. This committee will consider matters involving the Medical Center and its future operation.
2. In January the hospital trustees appointed a committee of three to review appropriations from the Mother's Day fund and assist hospital personnel in making decisions on some specific requests for assistance. The hospital continues to provide care for people who cannot pay, valued at far in excess of the total Mother's Day offering. The auditors' confirmed value of this care in 1972 was \$1,390,000—nearly four times the amount of the Mother's Day Offering—and this does not include the value of physicians' service, provided without cost to these service patients.
3. The Department of Pastoral Care is expanding its services to provide training for lay people. Dr. Mahan Siler joined the staff June 1 to head up this new work. The Department also anticipates the establishment of several satellite counseling and training centers in the state, beginning in the near future. Your Cooperative Program gifts support the work of this department.

The hospital's financial operation is "in the black", and there has not been a general room rate increase in 2 1/2 years. As of this date, the Mother's Day Offerings are running ahead of last year.

Respectfully submitted,
Mrs. Mattie Hudson

1973 BAPTIST CHILDREN'S HOMES REPORT

Report No. 23

The Baptist Children's Homes of North Carolina is committed to quality care which nurtures the whole person, physically, mentally, emotionally and spiritually. It is our hope that each child in our care will have the opportunity to develop the full potential which is his by God's creation.

This has been a year of development and constructive change for the Homes. The entire agency has voluntarily met the minimum standards for child caring agencies and has been licensed by the State of North Carolina for all of our services to children and their families.

In the Western Area, two additional cottages have been completed and occupied at Broyhill Home and construction has begun on the administration and recreation buildings. The Maternity Home continues to operate at or near capacity in its service to unwed mothers.

In the Eastern Area, a new cottage is being built at Kennedy Home and the foster care program has been enlarged.

In the Piedmont Area, three developments have occurred. (1) Mills Home has a new administrative organization. The 20 cottages have been divided into 4 units of 5 each and each unit will have a unit director, 2 social workers and the cottage personnel. This will provide closer working relationships between staff members, between staff and children and between staff and families. (2) Wall Home at Wallburg has been reopened to provide for a group of boys utilizing the special skills of the houseparents in an outdoor adventure program. (3) We are negotiating with Baptists in Alamance and Mecklenburg counties for the establishment of emergency care units. These units will be joint ventures between the Homes and the local supporters, with the local group providing the buildings and the Homes operating the program of care.

We have three pressing needs: (1) Families who will open their homes to accept foster children. Any family interested in exploring this Christian service to children should write or call us. (2) Inflation makes the Cooperative Program and the Thanksgiving Offering all the more important to our continuing services. We need significant increases in both to meet rising costs. (3) Several older cottages need to be replaced with staff welcomes the opportunity to counsel any person regarding his lasting investment in Christian child care.

Respectfully submitted,
Brooks Baines,
Representative of
Baptist Children's Homes

1973 CHRISTIAN HIGHER EDUCATION REPORT

Report No. 24

In North Carolina, Baptist churches and Baptist colleges enjoy a supportive partnership. It is still true that most of our pastors, missionaries, church staff members and denominational leaders are educated in Baptist colleges. Another outstanding example of church-college cooperation is the Baptist Youth Corps, which provided dedicated student leadership for more than eighty North Carolina Baptist churches during the summer of 1973. On campus, the college presidents interpret to the faculty and staff that our churches and colleges play important, complementary roles in the Christian missionary enterprise.

Your seven North Carolina Baptist colleges continue to be grateful for the support which comes through the Cooperative Program. During 1973, more than two million dollars will be given to support Christian higher education. Your colleges share this support as follows:

Campbell College	\$340,721
Chowan College	212,951
Gardner—Webb College	249,153

Mars Hill College	296,002
Meredith College	296,002
Wake Forest University	517,471
Wingate College	217,210

The colleges make a special effort to recruit North Carolina Baptist students. In fact, no qualified student is turned down in any of our colleges because of inability to pay. The churches help to make this possible through the Cooperative Program and the Baptist College Scholarship Offering on Father's Day. Baptist colleges stress the importance of the individual student; and are anxious to enroll the youth from our churches who plan to attend college. Churches can help their students and their colleges by encouraging interested young people to apply for enrolment in one of the seven North Carolina Baptist Colleges.

Since 1945, the cooperative efforts and relationships of North Carolina Baptist colleges have been coordinated by the Council on Christian Higher Education of the Baptist State Convention. The Council office is eager to assist both the churches and the colleges as together they help to create persons and a world as Christ would have them.

Respectfully submitted,
Joe Haywood, Representative
Christian Higher Education

ANNUITY BOARD OF THE SOUTHERN BAPTIST CONVENTION 1973 Associational Report

Report No. 25

The Annuity Board of the Southern Baptist Convention this year added new benefits or increased benefits for most active and retired pastors, church staff members and denominational workers it serves.

For annuitants (retirees, widows and disabled persons) on the roll Dec. 31, 1972, monthly income checks have been permanently increased by 6 per cent. Just before Christmas 1972, more than 7,000 annuitants received "13th Checks" amounting to the size of two extra month's benefits. The "13th Checks" are paid in addition to the regular monthly payments.

The amount of money paid in the "13th Checks" exceeded one million dollars, this was also a first. Good investments results in 1972 on funds held, helped to pay benefits for this dividend.

Investment income reached a new high for 1972 of more than \$22 million. Retirement and other protection benefits paid out for the 12-month period surpassed \$10 million for the first time. Income from premiums and dues topped \$30 million, another record.

Information on the Annuity Board may be secured by writing to the Development Office, Annuity Board, S. B. C., 511 North Akard, Bldg., Dallas, Texas, 75201.

As of June 1, 1973, 19 churches in the Pee Dee Association and the Association were participating in the Retirement Program.

Respectfully submitted,
Mrs. E. D. Creech,
Annuity Board Representative

Constitution

PREAMBLE

We, members of Baptist churches in Richmond and Scotland Counties, State of North Carolina, do hereby propose to establish and maintain the order and rules of an Association in conformity to the following plan:

ARTICLE I—NAME

The name of the association shall be the Pee Dee Baptist Association of North Carolina.

ARTICLE II—PURPOSE

The purpose of the Association shall be to promote Christian fellowship and cooperation among the churches affiliated with it; to uphold the doctrines and principles of our Baptist faith and to encourage the churches to be loyal to and practice those doctrines and principles; to promote the preaching and teaching of God's Word; the enlisting and training of all Christians for service; to promote missions, benevolences, stewardship, Christian education, and the winning of all men to Christ to the ends of the earth.

ARTICLE III—MEMBERSHIP

Section 1. The Association shall be composed of the officers of the Association, and pastors and messengers from churches affiliated with it. Affiliated churches shall be those which continue Baptist in faith and practice, and that cooperate with the Association, and that support the Association and the agencies of the State and Southern Baptist Convention.

Section 2. The Association shall be sole judge of its membership and may receive churches into its fellowship, or reject churches, according to its Constitution and By-Laws. Affiliated churches may also withdraw as they desire.

Section 3. Churches desiring to affiliate with this body shall apply to the Committee on Missions. If recommended by this Committee, they shall submit a written request to the Committee on Petitionary Letters including such recommendation, at least sixty days before the meeting of the Annual Meeting of the Association. MISSIONS COMMITTEE REPORT

The Missions Committee met once during the year to consider two matters of business that had been brought before us.

One of these was a request for affiliation with the Pee Dee Baptist Association, which was made by the Scotland Acres Baptist Church. This church is located about half-way between Laurinburg and Wagram, on the old highway. After reviewing their statements regarding their doctrines, polity and practice and their desire to share in support of the world mission program of Southern Baptists, we concluded that this church met all the constitutional requirements for affiliation with the association and we therefore recommended that the Petitionary

Letters Committee proceed to process their application and to bring their recommendation to the Annual Meeting.

The other action was in line with the constitutional requirement (By-Law IV—section 6) which states "The Committee on Missions shall make recommendations concerning salaries and other benefits for the Superintendent of Missions and other employees to the Committee on Finance for the Associational Annual Budget. In view of inflationary pressures, we recommended to the Finance Committee that both the Superintendent of Missions and his secretary be given a 10% increase across the board in salary and other benefits.

Respectfully submitted,
Reece D. Riggins, Chairman
Missions Committee

Report No. 2

1974 STEWARDSHIP AND COOPERATIVE PROGRAM REPORT

The faithful stewardship of individual Christians and the missionary vision of our churches, expressed through their support of the Cooperative Program and the various special offerings for missions enables Southern Baptists to maintain a growing World Missions Program at a time when many others are having to reduce their outreach.

Because of the faithfulness of over 30 churches in the Pee Dee Baptist Association we have been able to have a missionary on the field, maintain an office and provide a wide variety of services to our churches.

Because of the faithfulness of some 3,400 churches in North Carolina, our State Convention supports childrens' homes, homes for the aging and for unwed mothers, the Baptist Hospital, six colleges and Wake Forest University, Fruitland Institute, Camp Caraway, Mundo Vista, Caswell Assembly and a staff of well-trained and dedicated workers to help the churches in all departments of their work.

Because of the faithfulness of 34,000 churches in 50 states, Southern Baptists support more than 5,000 missionaries at home and in 77 countries around the world. In addition, we have six seminaries, the Radio-TV Commission. Over 62,000 baptisms were reported by the 6,907 churches overseas in 1973.

The same inflationary pressures that have hit us have also reduced the buying power of the missionaries' dollars. We need to continue to increase our support so that our missions outreach can not only continue, but increase during these critical days.

Will you do four things?

1. Each church increase its gifts to the Cooperative Program by 10% or more.
2. Pray for your home and foreign missionaries at each service in your church during October.
3. Contribute to the Cooperative Program on a monthly basis.
4. Have a stewardship workshop in the Association.

Respectfully submitted,
Robert Rea, Representative
Stewardship-Cooperative Program

1974 BIBLICAL RECORDER REPORT TO THE ASSOCIATION

The BIBLICAL RECORDER is grateful for another good year, although these are difficult days for religious publications. Some have had to go out of business while others are squeezed by rising costs. The RECORDER has not escaped the pressures of inflation. For example, paper has risen 61 per cent already this year—and the end is not in sight.

Even so, the RECORDER has been in business for 141 years and expects to continue. A few changes have to be made, however, to keep the paper strong. As staff members have resigned or retired, they have not been replaced. Some weeks the number of pages has to be reduced to save money, but readers have been very understanding.

Despite some problems, the RECORDER is enjoying its highest circulation in history—more than 111,000—thanks to the continuing support of the vast majority of Baptist churches in the state. These churches and their members remember the part the RECORDER played in the overwhelming defeat of liquor by the drink last November. This is probably the most significant story that the RECORDER has reported since the associations met last year. You will remember that approximately 70 per cent of the voters in the state voted against liquor by the drink and it was defeated in 97 of 100 counties. This should take care of this issue for awhile.

The RECORDER will continue its emphasis on local church coverage, seeking to deal with problems that every church has. Naturally, we are prejudiced, but we do not believe any publication can take the place of the BIBLICAL RECORDER. If your church does not send it to every family, may we ask a simple question: Why? At a cost of only a nickel a week for each family, this is the best investment a Baptist church can make. Put the RECORDER in the budget before it has to increase the rate because of inflation.

Respectfully submitted,
Robert Rollins, Representative
Biblical Recorder

THE NORTH CAROLINA BAPTIST FOUNDATION, INC.

North Carolina Baptists established the North Carolina Baptist Foundation in 1920 to encourage Living Memorials, through gifts while living and the writing of Christian wills, leaving a part of the estate to the support of any or all Baptist work, to be administered by the Foundation on behalf of the donors.

Today, as during its early years, the Foundation's Board of Directors are keenly conscious of the need of an enduring financial support for Baptist institutions and agencies.

The value of Foundation assets is approaching two million dollars. During 1973-1974 the Foundation received gifts totaling to \$150,310.15. Most of the gifts were for the establishment of annuity trust funds, providing income to the donor or his survivor, with the residual beneficiary to be a Baptist Institution, Agency or cause. 10.08% of all gifts received during the year will eventually benefit Southern Baptist Convention causes beyond the state.

\$47,858.74 in income was distributed this year. Approximately \$6,700.00 of income was reinvested by the Foundation in accordance with instructions from the donors.

The two major services offered by the Foundation are the Life Trust and the Charitable Remainder Annuity Trust. Other services will be added in the near future. Please contact Mr. Edwin S. Coates, Executive Secretary, The North Carolina Baptist Foundation, Inc., P.O. Box 26508, Raleigh, N.C. 27611, or phone 919-833-1605, if we may be of service to you.

EVANGELISM COMMITTEE REPORT

The continuing response of youth and adults to Lay Evangelism Schools has been significant. In the past thirty months 11,032 youth and adults have shared in this lay witness training from 855 churches and 44 associations. Also, 107 pastors from nine other associations have participated in Pastor's Retreats dealing with Lay Evangelism Schools.

"SHARING HIS LOVE AND SPIRIT" was the theme of the 28th Statewide Evangelism Conference at War Memorial Auditorium, Greensboro, February 4-6, 1974. Over 2,400 pastors and lay persons heard excellent speakers emphasize various phases of evangelism.

God is greatly blessing the evangelistic ministry of our three summer youth evangelism teams. Nine college students are leading in music, preaching in youth revivals, and directing youth witness training sessions among 27 churches from Pisgah Forest to Edenton.

Youth Ministries Week was held at the North Carolina Baptist Assembly during June 10-14 for about 700 Youth and adults with the emphasis on evangelism, vocational guidance and recreation.

About 15,000 youth, pastors, and adult leaders did attend the 4th Statewide Youth Evangelism Night, August 16, at the Greensboro Coliseum. Richard Hogue, evangelist, Houston, Texas, was the guest preacher, and Darcy and Sharon Hodges were the guest soloist. Christian youth continue to share a strong witness for Jesus Christ across our state.

Let us rejoice in the leadership of the Holy Spirit in wonderful revival meeting, city-wide crusades, and evangelism clinics during the past year.

The Associational Evangelism Committee sponsored an Evangelism Clinic on July 19 at the Pine Grove Baptist Church. The clinic began at 3 o'clock in the afternoon with Rev. Billy Cline of Asheville leading a conference on Bus Evangelism and Dr. Eugene Poston, President of Gardner-Webb College, leading a conference on the "Advantages of a Christian College". The night session was an Evangelistic Service with messages from Dr. Poston and Rev. Cline.

Remember to pray daily for the work of evangelism in all the churches of our state, nation and world.

Respectfully submitted,
Rev. Wayne Tuttle, Chairman
Evangelism Committee

PETITIONARY LETTERS COMMITTEE REPORT 1974

We present two churches for your consideration:

The Derby Baptist Church, which was originally a mission sponsored by the Bethel Baptist Church, was constituted into a Southern Baptist Church, June 16, 1974. At it's constitution, it voted to continue cooperating with the Pee Dee Baptist Association, The Baptist State Convention of North Carolina and the Southern Baptist Convention. In view of the fact that this body, first as a mission and now as a church, has worked in cooperation with us for over two years and has demonstrated that they are missionary Baptists in faith and practice, we recommend that they be received into full fellowship, with all rights and privileges.

The Scotland Acres Baptist Church has made a written request to the Associational Missions Committee for affiliation with the Association. After examining the evidence regarding their faith and practice, the Missions Committee unanimously recommended them to the Petitionary Letters Committee. The Petitionary Letters Committee has met with their pastor and checked on their history, location, faith, polity and practice and have concluded that they meet all the qualifications for affiliation with this Association.

The Scotland Acres Baptist Church is located about half-way between Laurinburg and Wagram, on the old highway. The nearest Baptist church is five miles away and there are several mobile home villages in the area. This church is seeking to minister to the spiritual needs of these people and is not infringing upon the field of any other church. Our Missionary has met with them and has explained what is involved in belonging to our group and they have indicated that they believe in and want to support our work and the World Mission Program of Southern Baptists.

All this being true, we recommend that the Scotland Acres Baptist Church be received under the watch care of the Pee Dee Baptist Association for at least a year, giving it opportunity to demonstrate it's intent to cooperate fully with us. During this time it shall enjoy all rights and privileges except holding office and voting. This period of watch care looks forward to the day when they shall be recommended into the full fellowship of the Association.

Respectfully submitted,
Alester McKinney, Chairman
Petitionary Letters Committee

ASSOCIATIONAL SUNDAY SCHOOL REPORT

For more than a century the Sunday School has been an important arm of the church—its home mission field, to be more exact.

"The Sunday School in Action" a book written by Benson states that 75 per cent of the church members of all denominations came up from the Sunday School; 85 per cent of the church workers, and 95 per cent of all ministers and missionaries at some time were Sunday School scholars.

It is perhaps trite to say that the Sunday School cannot serve its greatest purpose unless boys and girls, men and women are brought into the scope of its influence. Increased attendance is the answer. Many Sunday School leaders realize that truth but somehow don't know quite what to do to bring it about.

There is of course, only one way to build Sunday School attendance, and that is by working at it. In rapidly growing new communities some expansion in attendance may be enjoyed without too much personal effort. Our natural growth in population is helping, too. But by far the majority of our churches are located in established neighborhoods where the cream of natural growth has been skimmed off. If therefore, people are to be reached by the Sunday School ministry, they must be sought out and brought in.

For this 1974-1975 Church Year the following ideas will be helpful if we are to reach more people for Bible Study.

SPECIAL EMPHASIS ON EVANGELISM AND OUTREACH

- Plan a strong evangelistic effort in your church
- Update prospect file and assign prospects to individuals.
- Have church revivals (Youth revivals, area revivals, etc.)
- Urge every Sunday School teacher to talk personally with every class member who is not a Christian
- Have a new member class for all new converts.

During the 1973-1974 Associational year, the Sunday School Department promoted January Bible Study (Colossians), conducted associational V.B.S. Clinic, promoted the Reach Out emphasis in the Sunday School, including a Reach Out Rally, conducted a S.S. Leadership Conference and participated in the Associational Missions Fair.

Respectfully submitted,
Eugene McNair, Director
Associational Sunday School

1974 CHURCH TRAINING REPORT

The continued decline of the Training Union and all types of church training in Southern Baptist churches is well known to all of us. We all have a ready answer as to why this is so, but few seem to have found any way to change things for the better.

It is easier to blame it all on "Nashville", by charging that the Sunday School Board has failed to produce an acceptable curriculum, or by resenting the strong social action emphasis found in some of the programs.

Suppose that there is a measure of truth in some, or all, of these charges. Does that get at the heart of the problem, or absolve us of all responsibility? The fact still remains that every church needs an ongoing training program for every member, some sort of orientation for new members and special training for officers and teachers to equip them for their tasks.

The existing new member orientation materials provided by the Sunday School Board are among the best obtainable. Ready made curriculum for special training is in short supply at present, but there is a wealth of resources available from the current "understanding", "administration" and "method" books for the Sunday School and the Church Administration Dept. produces a constant flow of helpful materials suitable for training the various church officers in their duties.

Looking into the future, videotaping of all types of training courses will soon be available, done by some of the best teachers in our denomination. At the present, it is still too expensive for the average church, but this picture should change as production increases. Eventually, this should open up a whole new world of training opportunities!

Neglect of training will produce Bible illiterates, keep the quality of teaching in our Sunday Schools at a low level, produce divisions over doctrine by those who have not studied Baptist doctrine and seriously limit almost everything else we are doing. Change the time or the place, change the curriculum or the methodology, change anything or everything about our present way of church training, but find some way to get the job done! Can we afford not to try?

Respectfully submitted,
Berdette Hicks, Director
Assoc. Church Training

1974 W. M. U. REPORT

We began the year with a full slate of trained leaders, dedicated to their tasks and excited about the possibilities for growth and service through the W.M.U. We have sought to teach, do and support world missions through praying and giving, conscious that it is only in Him that we can "press toward the mark for the prize of the high calling of God in Christ Jesus".

Statistical reports will reveal growth in all the age level WMU organizations, with several new groups added during the year. TO GOD BE THE GLORY!

The Associational WMU and Brotherhood jointly sponsored two nights of foreign mission study, led by Rev. Cloyes Starnes, missionary to Korea. About 375-400 persons attended these studies in Richmond and Scotland Counties. They were made aware of the efforts being made by our missionaries to tell the Good News around the world. TO GOD BE THE GLORY!

A G. A. Commitment Service was held at the Calvary Baptist Church, Hamlet, under the direction of Mrs. B. M. Plyler, on Dec. 2, 1973. The emphasis was the Lottie Moon Christmas Offering for Foreign Missions and it was a moving experience to see those young ladies, ages 6-11, come forward with their piggy banks, handkerchiefs, etc., to make their gifts for foreign missions.

In February, a rally was held at the East Rockingham Baptist Church for a short training session and an inspirational message by Mrs. Bernice McRae, Director of Women's work in the Roberson Association. She challenged us to go the extra mile in His service. TO GOD BE THE GLORY!

The Associational WMU Annual Meeting April 9th at the First Baptist Church, Ellerbe, was a mountain-top experience. Music by the choir and the Hicks Quartet lifted us up and Miss Jolene Ivey, State Acteens Director, gave her personal testimony and challenged us to give more of ourselves to His work. God alone knows what the fruit will be from those who heard her. An important decision made at this meeting was to discontinue assessing churches for the support of the associational WMU and to include it as a regular part of the associational budget. Those present were urged to encourage their churches to increase their support for associational missions so that adequate funds will be available for this additional program. TO GOD BE THE GLORY!

The first Associational Baptist Young Women's meeting was held in May, directed by Mrs. Carnie McDonald. A large group of young women were present for the fellowship meal and a message by Miss Nancy Curtis, State Baptist Young Women's Director. It was a blessed time of fellowship and inspiration. TO GOD BE THE GLORY!

The WMU participated in the Associational Missions Fair, for three nights in August. Interest in the fair was encouraging and we felt that it was most worthwhile.

Many attended the WMU week at Ridgecrest in August and others went to Mundo Vista in September, receiving training for the coming year. Two associational workshops were held in Sept., led by the Associational WMU leadership, and assisted by outstanding leaders from our churches. An estimated 150 ladies attended these workshops. TO GOD BE THE GLORY!

We close the year with sincere gratitude for those things that have been accomplished through Him, for the growth and excitement about His work and for the sweet spirit shown by so many in this work. TO GOD BE THE GLORY!

Respectfully submitted,
Ruth Lovin, Director
Assoc. W.M.U.

1974 BROTHERHOOD REPORT

Our leaders this year were: Mr. John Watson (Rockingham), Brotherhood Director; Mr. Jesse Stubbs (Laurinburg), Baptist Men's Director; Rev. John R. Blanchard (McDonald Church), Royal Ambassadors Director.

Brotherhood Activities during the year were:

Two Associational Leadership Workshops were held simultaneously in Richmond and Scotland Counties. Attendance was good.

A Regional Leadership Training Clinic was held at the First Baptist Church, Wadesboro, N.C. This Clinic trained men to be leaders who, in turn, can train others to be leaders in their churches.

A Missionary Education Dialogue between the State Brotherhood leaders and the pastors and Brotherhood Directors from our churches. It was held at Webb's Fish Camp, Rockingham and a good group of men were present to enjoy the fish supper and hear Rev. Ed Bullock, State Brotherhood Director, speak.

The program of R. A. Camps and various types of conferences, clinics, workshops and retreats for men and boys, provided by our State Brotherhood Dept. at Camp Caraway is excellent. We are fortunate to be a part of a denomination that offers this kind of missionary education program. Camp Caraway is close enough to us for our men and boys to be able to attend many of the meetings held there.

The Brotherhood Dept. also participated in the Associational Missions Fair, which was an effort to present to the men and women of our churches just what a Baptist Association is and what it does.

May God's blessings continue to be with us in years to come and let us pray that each and every person that takes a part will be carrying out the Great Commission of our Lord Jesus Christ!

Respectfully submitted,
John Watson, Director
Assoc. Brotherhood

1974 MUSIC REPORT

The Music Department of the Pee Dee Baptist Association had three projects during the 1973-1974 year. They were:

Mrs. Martha Branham, evangelistic singer from Texas, presented a concert of Sacred Music, sponsored jointly by the Association, the First Baptist Church, Hamlet, and the Pleasant Grove Baptist Church. The Hamlet Church served as host for the occasion and the Pleasant Grove

Church provided lodging for Mrs. Branham and her party. A word of appreciation is due to Reverends Doran Cook and Billy Rivers for making this experience possible.

A most interesting study of "What To Do In Case of a Choir Rehearsal" was led by Dennis Lovin. Mr. Lovin is Minister of Music at the First Baptist Church, Dunn, N.C. This study was held at the First Baptist Church, Hamlet.

The Associational Music Department participated in the Associational Missions Fair, held this past August. We had a booth at the Fair and arranged for special music by several choirs. Recordings of sacred music were also played. The participation by the choirs added greatly to the effectiveness of the Fair.

Gentlemen:

I have examined the balance sheet of the Pee Dee Baptist Association as of September 30, 1974, and the related statements of income and expenditures for the year then ended.

Our examination was made in accordance with generally accepted auditing standards, and included such tests of the accounting records as we considered necessary.

In our opinion, the accompanying balance sheet and statement of income and expenditures present fairly the financial position of the Pee Dee Baptist Association at September 30, 1974.

RESOLUTION REPORT A

Resolved, That we express our appreciation to the Cordova Baptist Church for their fine Christian hospitality toward the Pee Dee Baptist Association's Annual Meeting and for the delicious meal at the noon hour.

Report No. 19

1974 NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Life has been much happier and secure for hundreds of older people because North Carolina Baptists began operating a home for the aging over 23 years ago and have expanded this ministry through the years. There are now five homes: Resthaven and the Hayes Home, plus the Nursing Care Unit, in Winston-Salem and three others in Albermarle, Hamilton and Yanceyville. Four out of five residents in these homes are dependent upon your love gifts and simply could not be cared for without your help.

Support for our homes for the aging comes through the cooperative program and through the special Homes for the Aging offering received on the 3rd Sunday in February each year. Gifts from these two sources for 1974 will probably exceed \$350,000, providing more than 30% of the budget needed to operate the 5 resident homes and the nursing care unit.

The big news for this year is the decision to establish a sixth home in the Asheville area, on a beautiful 21 acre estate which has been acquired for this purpose. A building fund drive is now underway to raise the money needed to build the home. The site overlooks the city of

Asheville, with the Blue Ridge Mountains in the background.

When this 6th home is built, plus the inflationary pressures that continue to affect every area of our economy, it is most urgent that our Baptist people be more generous than ever in support of the homes.

Churches of the Pee Dee Baptist Association gave \$1,419.00 to the Special Offering for the Homes for the Aging in 1974. "In as much as ye have done it unto the least of these, my brethren, ye have done it unto me."

Respectfully submitted,
A. C. Corder, Representative
Baptist Homes for the Aging

Report No. 20

1974 BAPTIST HOSPITAL REPORT

In spite of the growth in size and complexity at your Baptist Hospital, the emphasis is still upon "ministering with skill and understanding".

Changes and additions continue to be made for the purpose of providing better hospital care. Renovation of the Progressive Care Unit has been completed and the South and West Wings of the hospital building are now being renovated. Construction of the Ambulatory Care Unit is well under way and its scheduled for completion next spring.

New discoveries continue to make possible medical care. For example, a new EMI-Scanner is to be installed and is expected to be in use before the end of this year. This device combines the use of x-rays and computers, making it possible to detect brain tumors, blood clots, and strokes more accurately and quickly. Scans can be completed in about 30 minutes and the results known in another 5 minutes. There is no risk or discomfort involved and the patient does not have to be admitted to the hospital.

New approaches are also being made in the hospital's ministry to the emotional and spiritual needs of people. The Division of Human Enrichment and Development, in the Dept. of Pastoral Care, is conducting retreats, seminars, and workshops designed to help appropriate the resources of the Christian faith to the various areas and experiences of like. The Pastoral Care Dept. has also opened its first satellite center, in Fayetteville, to offer counseling and training to people in that area. Your Cooperative Program gifts help support these ministries.

The School of nursing graduated its last class in May. It has been phasing out since 1971, in line with a decision of the trustees.

In January the hospital had its only room rate increase in the past 3 1/2 years. The hospital continues to operate "in the black". The 1973 Mother's Day Offering totaled \$375,000. The 1974 Mother's Day gifts are currently running ahead of the same time last year. In the Pee Dee Association, 23 churches have contributed \$3,018.85 so far this year, as compared with 25 churches giving \$2,557.11 last year. These gifts are used to assist patients with the most urgent financial needs. A special committee assists the hospital in administering these funds.

Your hospital staff and the people they serve are grateful for your interest, prayers and financial support.

Respectfully submitted,
Alester McKinney, Representative
Baptist Hospital

Report No. 21

NORTH CAROLINA BAPTIST CHILDRENS HOMES, INC. REPORT

During the past year, North Carolina Baptists gave more than a million dollars to Christian child care through the Cooperative Program, the Thanksgiving Offering and designated gifts and offerings. Christian child care is a shared adventure. We cannot know the final outcome

in advance, but we are confident of God's power to work for reconciliation and healing.

The recreation and administration buildings at Broyhill Home are nearing completion. A cottage and two staff residences at Kennedy Home will soon be dedicated. A Challenge gift of \$100,000 has been received for the development of Greer-Burris Home at Chapel Hill. A special campaign is in progress to increase the services available at Odum Home in Pembroke, through the erection of a recreation building and two family-style cottages.

Our farm-food program continues to be of vital importance. Although feed and fertilizer costs have risen tremendously, the Lord has blessed us with a good season and all of our cottage and staff people are preserving as much food as possible to fight inflated costs.

Mills Home continues to provide quality care for more than 200 school age children. Wall Home has pioneered an exciting outdoor high-adventure program for a group of teenage boys. Our first Emergency Care Home opened in Burlington May 21 and a second one was opened in Charlotte in late summer, in cooperation with the Mt. Zion and Mecklenburg Associations to provide emergency care on the local scene. New foster homes have been licensed and have increased the number of foster home children in care.

Our campuses are operating at capacity; our foster homes are full and our children are making good use of their opportunities. A new cottage for twelve children and two staff residences will be completed by the end of the year.

Because more and more troubled teenagers are being referred to us for care, we have started a new program on the Kennedy Home Campus. Limited to only eight boys, it is designed to help them work through some of their deepest troubles by using the principles of group therapy.

"The Mountain Within", a 30 minute 16mm sound picture, has been filmed to tell the story of the Children's Homes. It can be ordered through the Department of Communications, State Convention, in Raleigh, after Oct. 1.

The continuing good will and generous support of our friends throughout the state make possible this vigorous and progressive ministry of child care. Rising costs and the need for expanding services challenge all of us—staff and supporters—to continue our investment in the shared adventures of Christian child care.

Report No. 22

CHRISTIAN HIGHER EDUCATION REPORT 1974

Our churches and colleges are partners. Their purposes are not identical, but Baptist churches and Baptist colleges in North Carolina do their work in an atmosphere of mutual appreciation. This active partnership includes Baptist Youth Corps, student-led worship and revival services, visits to the campuses by pastors and other leaders, participation of faculty and staff in associational and local church programs, and special projects of promotion on behalf of the Cooperative Program.

Your seven Baptist colleges are grateful for the continuing financial support they receive through the Cooperative Program. During 1974 approximately \$2,350,000 will be received from the churches through the Cooperative Program. This helps to undergird the work of North Carolina Baptist Colleges at a crucial and difficult time and these funds will make a tremendous difference in the quality of programs offered by our schools.

The colleges make a special effort to recruit North Carolina Baptist students through pastors and superintendents of missions. No qualified student will be turned away simply because of inability to pay. Baptist Colleges are anxious to enroll the young people from our churches.

After 20 years of effective leadership, Dr. Budd E. Smith resigned the presidency of Wingate College. Dr. Thomas E. Corts, of Georgetown, Ky., became the eleventh president of Wingate on June 1, 1974. He comes with an excellent background of training and experience.

Our colleges, Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate, work together and with the Baptist State Convention through the Council on Christian Higher Education. The Council office is eager to assist both the churches and the colleges in the promotion of understanding and cooperation as together they minister to persons in the name of the Lord.

Respectfully submitted,
Robert Y. Thurkill, Representative
Christian Higher Education

1974 ANNUITY BOARD REPORT

The Board paid a record \$15,506,663 in benefits to retired pastors and other church-related workers or their widows during 1973. It has paid over \$100 million during its history. About 38,000 pastors and other church staff and denominational agency employees are now covered by one or more of the Board's programs, with funds held in trust exceeding \$350 million for the first time.

The Board issued another "13th Check" shortly before Christmas 1973. It amounted to two extra month's benefits, totaling \$1,187,379. This extra check is over and above the 12 regular monthly benefits and depends upon investment income. It may vary from year to year.

Investment income in 1973 declined sharply to \$10 million from a record \$22 million in 1972. The investment picture is still clouded as this report is being written, though it was hoped that 1974 might show some gains over 1973.

By comparison, the Board's investments in mortgage loans and real estate leasebacks proved to be profit-making for the year. In an effort to continue earning from real estate investments, the Board announced a new type of Plan C investment called land equity loans. Plan C is the Board's variable benefit plan, which supplements the basic retirement program, called Plan A, for ministers.

For additional information, write: Development Office, SBC Annuity Board, 511 North Akard Building, Dallas, Tex. 75201.

About 20 of our 38 churches participate in the Board's retirement program. Surely, there are other pastors who should be covered for their own sake and for the sake of their churches if something should happen to them.

Harold Matthews

Constitution

PREAMBLE

We, members of Baptist churches in Richmond and Scotland Counties, State of North Carolina, do hereby propose to establish and maintain the order and rules of an Association in conformity to the following plan:

ARTICLE I—NAME

✓ The name of the association shall be the Pee Dee Baptist Association of North Carolina.

ARTICLE II—PURPOSE

The purpose of the Association shall be to promote Christian fellowship and cooperation among the churches affiliated with it; to uphold the doctrines and principles of our Baptist faith and to encourage the churches to be loyal to and practice those doctrines and principles; to promote the preaching and teaching of God's Word; the enlisting and training of all Christians for service; to promote missions, benevolences, stewardship, Christian education, and the winning of all men to Christ to the ends of the earth.

ARTICLE III—MEMBERSHIP

Section 1. The Association shall be composed of the officers of the Association, and pastors and messengers from churches affiliated with it. Affiliated churches shall be those which continue Baptist in faith and practice, and that cooperate with the Association, and that support the Association and the agencies of the State and Southern Baptist Convention.

Section 2. The Association shall be sole judge of its membership and may receive churches into its fellowship, or reject churches, according to its Constitution and By-Laws. Affiliated churches may also withdraw as they desire.

Section 3. Churches desiring to affiliate with this body shall apply to the Committee on Missions. If recommended by this Committee, they shall submit a written request to the Committee on Petitionary Letters including such recommendation, at least sixty days before the meeting of the Annual Meeting of the Association. If recommended by this Committee and accepted by a majority vote of the Association, the church shall agree to come under the watch care of the Association for a sufficient time to satisfy the Association of its intent to continue, through practice and attitude, a cooperating Baptist church. Upon the recommendation of the Committee on Petitionary Letters, acceptance into the full fellowship of the Association shall be confirmed by vote of the Association. During this period, members of such churches shall be entitled to all rights and privileges of the Association, except holding office and voting.

Section 4. The Association shall not maintain fellowship with any church that neglects to maintain a spirit of cooperation with the Association, or fails to support the causes fostered by the Association, or that departs from the principles of the Christian faith as taught in the Bible and believed by Baptists.

Any church failing in cooperative practice shall be visited by the officers of the Association with a view to correcting such failures. In the event of the church refusing to correct failures found, upon the recommendation of the officers of the Association, the Association may by two-thirds majority vote of those present and voting withdraw fellowship from such church.

ARTICLE IV—MEETINGS

Section 1. The association shall meet in annual session the week following the third Sunday in October on the day, or days, and at such hours as the Executive Committee may approve, upon recommendation of the Committee on Order of Business.

Section 2. Special meetings may be called by the Moderator, provided two weeks notice is given to all affiliated churches.

Section 3. Churches of fifty members or less shall be entitled to three messengers. One additional messenger shall be allowed for each additional fifty members or major fraction thereof, provided no church shall be entitled to more than ten messengers. These shall constitute the voting body of the Association. The names of messengers printed in the Minutes shall only include these attending and registering at the sessions of the Association.

ARTICLE V—AUTHORITY

Mr. Wayne Tuttle moved that the first suggested change (By-Law IV—Duties of Committees, Section 1) be altered by inserting the words "at least" in the second sentence between the words "of" and "three", making it read: "It shall prepare a printed program for the Annual Meeting of the Association, including messages by representatives of at least three State Convention institutions or agencies each year, on a rotating basis." SUGGESTED CHANGES IN THE ASSOCIATIONAL CONSTITUTION

1. By-Law IV Duties of Committees

Section 1. The Committee on Order of Business shall be composed of three members and the Moderator, Clerk, Music Director and the Director of Missions. It shall prepare a printed program for the Annual Meeting of the Association, including messages by representatives of three State Convention institutions or agencies each year, on a rotating basis. Copies of the program shall be sent to all pastors and persons on the program at least 30 days before the Annual Meeting. It shall, in the opening session of the Annual Meeting of the Association, present the printed program for adoption, and serve throughout the sessions when adjustments in the order of business become necessary.

2.

Section 4. The Committee on Finance, composed of six members and the Treasurer, shall study the Association's financial needs for an adequate program and submit a proposed budget for the following year to the Executive Committee at its July meeting for its approval. The budget, as approved, shall be published in the September Associational Newsletter and presented to the Association at its Annual Meeting for adoption. It shall also devise plans for securing the cooperation of the churches in raising funds to meet the budget, and make a written report to the Annual Meeting.

3.

Consider abolishing the Christian Life Committee and replacing it with a Christian Life Commission REPRESENTATIVE. Appropriate changes in the Constitution and By-Laws would have to be made to bring them in line with this change. The reason for this suggestion is that the Association has no Christian Life Program as such, but the only real function of this committee has been to serve as a channel through which the State Christian Life Commission could communicate to the association. This puts it more in line with the need for a single representative than for a committee.

Respectfully submitted,
David Jay, Chairman of
Assoc. Constitution Committee

MISSIONS COMMITTEE REPORT

The Missions Committee met once during the year to consider a matter assigned to them by the constitution at last year's annual meeting. The constitution states "the Committee on Missions shall make recommendations concerning salaries and other benefits for the Director of Missions and other employees to the Committee on Finance for the Associational Annual Budget." In view of continued inflation, the Committee recommended increases for both the Missionary and his secretary.

The Chairman represented the Committee at the three Associational Missions Fairs and kept in close touch with the Missionary, counseling with him in matters related to missions.

One of them was getting the Pee Dee Baptist Association on the list of associations having World Missions Conferences in the fall of 1977. With the demand for these conferences so high and the available foreign and home missions personnel being limited, it is necessary for associations to make request well ahead of the actual time for the Conferences.

Although there is no clear need for additional church-type missions in our association, Your Missions Committee recommends that our churches investigate the need for such ministries as mission Vacation Bible Schools in low cost housing projects, migrant ministries, ministries to the new nursing home and rest homes and developing trained leaders in interfaith witness.

Respectfully submitted,
Wayne Tuttle, Chairman
Assoc. Missions Committee

1975 ASSOCIATIONAL EVANGELISM REPORT

The continuing response of youth and adults to Lay Evangelism Schools has been significant. In the past 3 1/2 years, 12,774 youth and adults have shared in this lay witness training from 1,007 churches and 55 associations. Also, 107 pastors from nine other associations have participated in Pastor's Retreats dealing with Lay Evangelism Schools. Five other associations have planned Lay Evangelism Schools during the fall of 1975.

"Be Reconciled to God and Man" was the theme of the 29th Statewide Evangelism Conference at War Memorial Auditorium, Greensboro, Feb. 3-5, 1975. Over 2,400 pastors and lay persons heard excellent speakers emphasize various phases of evangelism.

Youth Ministries Week was held at the North Carolina Baptist Assembly during June 9-13 for 520 youth and adults with emphasis on evangelism, vocational guidance, and recreation.

Several bus loads of youth from the Pee Dee Baptist Association churches attended the 5th Statewide Youth Evangelism Night—August 15, 1975—at the Greensboro Coliseum. Dr. Bill Self, Atlanta, Ga., was the guest preacher, with Bill and Linda Cates in charge of the music. Christian youth continue to share a strong witness for Jesus Christ across our state.

Let us rejoice in the leadership of the Holy Spirit in wonderful revival meetings, city-wide crusades, and evangelism clinics during the past year.

The 30th Statewide Evangelism Conference will be at the Civic Center Auditorium, Asheville, February 2-4, 1976.

A major emphasis in evangelism for next year will be an Associational Simultaneous Revival, March 28-April 4, 1976. Pastors and churches are being encouraged to cooperate with us in these dates as they schedule their next spring revivals. Joint publicity, prayer, fellowship and preaching will have a much greater impact upon the communities as a whole than will uncoordinated revivals by the same churches.

We are grateful to God for the evangelistic results He has given our churches during the past year and we encourage you to continue to pray and work toward keeping evangelism a key emphasis in all that we do during the coming year.

Respectfully submitted,
Billy G. Rivers, Chairman
Assoc. Evangelism Committee

1975 BIBLICAL RECORDER REPORT

The BIBLICAL RECORDER is one of 33 state Baptist papers. They have a combined circulation of one and three quarters of a million. The Recorder is one of the oldest, and, we think, one of the best. In spite of continued inflation, and sky-rocketting postage costs, the circulation of the RECORDER remains above 112,000. Congregations including it in their budgets for all their families are the ones which have an informed membership.

It is our hope that North Carolina churches will take seriously the recommendation reaffirmed at the Southern Baptist Convention that state papers be incorporated in local church budgets for all their member families. Already more than 1,000 churches in North Carolina are doing this, and more congregations do so each year. Pastors and deacons should initiate such action, and it should be supported by all the organizations in the church.

The BIBLICAL RECORDER has covered many sensitive issues this past year. Words of appreciation have come from Baptist people all across the state, for they are aware that "an informed people is the bulwark of Baptist democracy".

The RECORDER continues to operate on a limited budget, and with an altogether too small staff. Local churches can help us by understanding these limitations, and by renewing their subscription plans promptly.

Ray K. Hodge, pastor of the First Baptist Church, Kinston, says: "One of the easiest tasks

have had as a pastor is to lead churches to include and keep the denominational paper in the church budget. It is such a bargain that trying to save a few dollars (by not subscribing to it for our families) is too costly. It would be like saving the expense of regular visits to the dentist, only to pay more in various ways later."

His advice is worth heeding.

Respectfully submitted,
Robert Rollins,
Biblical Recorder Representative

Report No. 5

PETITIONARY LETTERS COMMITTEE REPORT

This committee recommended to the Annual Meeting last year that the Scotland Acres Baptist Church be received under the watchcare of the association, looking toward the time when they may become members in full fellowship with us.

After investigation and observation, we are convinced that this church is indeed a cooperating Baptist Church in doctrine, polity and practice, ministering to many families near-by and miles from any other Baptist church. This being true, we now recommend that the Scotland Acres Baptist Church be received into full fellowship, with all rights and privileges, of the association.

Respectfully submitted,
Glenn Snider, Chairman
Petitionary Letters Committee

Report No. 6

1975 STEWARDSHIP AND COOPERATIVE PROGRAM REPORT

Helping Christians to grow in the grace of giving is included in "teaching them to observe all things whatsoever I have commanded you". Our churches need to teach the stewardship of life, time, talents and money, not only because there are needs to be met at home and abroad, but also because our people need to know the joy of having won the victory over covetousness by giving at least a tithe of their earnings to the Lord as an act of love and worship.

The Stewardship Commission has developed a variety of programs to help churches do a good job of presenting the Scriptural teachings concerning stewardship and promoting the church budget. The Forward Program has been proven and refined through the years, so that it can be adapted to meet the needs of churches large or small. A Simplified Church Development and Promotion Packet is designed for churches that have not had a budget. Tither's Commitment Week, Stewardship Revivals and YIS (Youth in Stewardship).

Some churches have found that adopting the plan of mailing the offering envelopes monthly helps stimulate more people to give more regularly. Keeping members well informed through monthly mimeographed financial reports is also good business.

It is also important that churches look beyond their own immediate needs and share in the cost of associational, state, home and foreign missions through regular contributions.

The Pee Dee Baptist Association is grateful for the increased support received during 1974-1975. The \$19,884.35 represents an increase of better than 6% over the previous year, which was good also.

Inflation and the expansion of our program to include the full cost of the WMU program will require additional funds during the coming year. To meet this need, we suggest the following:

1. Every church contributing something.
2. Every church contributing monthly on a percentage basis.
3. Every church work toward the goal of 3% of their undesignated offerings.
4. Those churches that prefer a fixed dollar amount, consider increasing the amount yearly

- until the 3% goal is reached.
5. Every church contributing through the Cooperative Program on a percentage basis.

Respectfully submitted,
Robert Rea, Representative
Stewardship & Cooperative Program

Report No. 9

ASSOCIATIONAL SUNDAY SCHOOL REPORT

The Importance of Bible study in the reaching of the lost and unchurched for Christ and in the growing of new Christians into mature men and women in the Faith is just as great as ever.

Those churches that have worked at using the Sunday School as a means of reaching out to involve the saved and unsaved alike in Bible study have seen many of them won to faith in Christ, lives have been changed for good and families brought back together.

This past year, we promoted January Bible Study (Acts). This annual study of a particular book of the Bible in our churches has grown until it now involves more people each year than any similar study in the Christian world today.

Two Vacation Bible School Clinics were conducted to help the VBS workers in the churches prepare for their own schools. 24 churches reported having VBS.

The Sunday School Department participated in the Associational Missions Fairs in August, with materials on display.

A highlight of our work for the year was High Attendance Day in the Sunday School. We set a goal of 5,000 and did not quite reach it, but we did reach 4,794, which was as good as the state and Southern Baptist Convention averages as compared to enrollment.

A Sunday School Leadership Workshop was conducted in August, with the help of State Sunday School personnel. The "Working in Sunday School" books were used, with conferences for general officers and each of the four age groups.

Reaching out will continue to be emphasized during 1975-1976, with special attention being focused on the young adults and preschoolers. A new approach in enrolling new members for Sunday School, called "ACTION", will be promoted. It calls for enrolling those who are not attending anyone's Sunday School in their homes with their consent, before they ever attend. In practice, this method has resulted in as many regular attenders as has our conventional method.

High Attendance Day this year will be Sunday, Nov. 2nd. Our suggested goal will again be 5,000. We can exceed this if we average 70% of our enrollments present on that day.

We have been without a Sunday School Director this past year, with the Missionary doing what he could to fill the gap. We are happy to have one for the coming year and look forward to a good year under his leadership.

1975 CHURCH TRAINING REPORT (ASSOCIATIONAL)

Church training includes the regular Training Union, New Member Orientation and specialized training projects. New resource materials are being prepared by the Sunday School Board in Nashville for enrichment of family life and dealing with the problems many families face today. It may be that the future of church training will lie more in the direction of specialized training projects. Training Sunday School officers and teachers, teaching deacons about the deacon family ministry plan and family enrichment courses all could help meet needs in our churches.

During 1974-1975 the Church Training Department presented a Church Training program at the Cobb Memorial Baptist Church, with the help of a State approved Church Training Worker. He reviewed the variety of materials that are available for the use of our Training Unions, emphasizing the number of choices they have in selecting which programs a given Training Union will study. Between the Convention Uniform and the Life and Work Curriculum and including both the adults and youth programs, almost any group can find subjects that meet a felt need.

We also participated in the three Associational Missions Fairs, maintaining a booth at all three churches.

"M" Night is being planned for November 17th, with Dr. Lamar Brooks, pastor of the First Baptist Church, Laurinburg, as the main speaker.

The fact that our neglect of training during this past decade is producing unhappy results is pointed out in the claim by the Mormons and Jehovah's Witnesses that 40% of their converts in recent years have been former Baptists. Are we going to let this trend continue? If we don't stand for anything, we will fall for anything!

Respectfully submitted,
Mrs. Grace Wilson, Director
Assoc. Church Training

Report No. 11

1975 ASSOCIATIONAL WOMAN'S MISSIONARY UNION REPORT

The W. M. U. emphases for 1974-'75 were "Love Thy Neighbor" and "Time". Mission Action and Family Life have been promoted in the churches. We report the following activities for the year:

- *Missionary R. L. Stocks, from Zambia, taught two Foreign Missions Studies in December, 1974
- *Mr. Austin Lovin, our Associational Missionary, taught two Associational Home Missions Studies in March, 1975.
- *The First Baptist Church, Laurinburg, was host to the W. M. U. Annual Meeting, April 18, 1975. Miss Kathryn Bullard, our key speaker, brought the meaning of missions home to us and we were moved as each age-level director reported on her work in a Spirit-filled manner.
- *A World Missions Fair was held June 26th by the Baptist Young Women at the Pine Grove Baptist Church. The B. Y. W.'s from various churches taught about missions in foreign countries. Their dress, displays, and even the refreshments were typical of the countries being discussed.
- *We participated in the three Associational Missions Fairs Aug. 4, 5, and 7 at the Cartledge Creek, Mr. Olive and Spring Hill churches. A W. M. U. display was set up, with leaders present to answer questions about our work.
- *Four of our officers attended W. M. U. Week at Ridgecrest in August to learn how to do their work more effectively.
- *Our officers attended the W. M. U. Leadership Workshop at Mundo Vista September 22nd.

- *A General W. M. U. Meeting for all age groups was held Sept. 22nd at the Pee Dee Baptist Church. Conferences were offered for leaders of all age-level groups. About 125 persons attended. We are grateful for the good attendance at our meetings this year.
- *Your Director attended the Baptist World Congress in Stockholm, Sweden, in July. She learned much and was greatly blessed by meeting with Baptists from 80 different countries. After the Congress, she was struck by the contrasts when she toured Russia, Poland and Czechoslovakia. How we need to pray for these people! So many young people have never heard of Jesus Christ. One of our guides had been such a person, but he told us that he had been saved through the witness of a friend. He was still so hungry to learn more about being a Christian. Let us remember that it could happen here if each generation does not witness to the next.

Mrs. A. A. Williams
Associational W. M. U. Director

Report No. 12

1975 BROTHERHOOD REPORT

The Baptist Brotherhood organization includes work with both men and boys. If a church has either of these, it has a Brotherhood.

The Baptist Brotherhood is responsible for providing missionary education, plus involving men and boys in specific mission action projects that might be needed in an association.

Camp Caraway offers 10 weeks of Royal Ambassador camps each summer. The excellent facilities, well-trained staff and balanced programs that provide both recreation and spiritual uplift, makes this an ideal place for our boys of RA age to attend camp any one of the 10 weeks. We recommend Camp Caraway to our churches without reservation.

There was a Brotherhood display provided for the Associational Missions Fairs.

Simultaneous Brotherhood Workshops were offered at the Pine Grove and Stewartsville churches.

The Brotherhoods were encouraged to join with the WMU in promoting the weeks of prayer and offerings for foreign, home and state missions. They also cosponsored an Assoc. Prayer Retreat at Beverly Hill Baptist Church with the Assoc. WMU.

During this coming year, our churches are urged to provide missionary education and action for their men and boys through the Brotherhood.

Respectfully submitted,
Harry Jackson, Director
Associational Brotherhood

Report No. 13

1975 MUSIC REPORT

The Music Department promoted a variety of activities related to sacred music during the 1974-1975 year:

In February, there was direct correspondence with each church in the Association, encouraging participation and learning at a handbell clinic held at St. Andrews College, Laurinburg. Two handbell choirs from Pee Dee Association churches performed at the clinic: The Youth Handbell Choir from the First Baptist Church, Laurinburg, directed by Mrs. Sylvia Stewart and the Youth Handbell Choir from the First Baptist Church, Hamlet, directed by Mrs. T. E. Smart. These young people represented us in a superb way and they enjoyed hearing other handbell choirs from the area. They were also challenged to greater achievements by the instructor of the clinic. Several music directors and other interested persons from our association attended.

As Associational Music Director, I was called upon at various times to give aid to local church music directors. These services included such things as: (1) New ideas for the use of music for youth in Vacation Bible School (2) Information of music clinics available to church music personnel. Mrs. Sylvia Stewart, of the First Baptist Church, Laurinburg, was on the faculty of the State Clinic for Volunteer and Part-Time Music Directors at Camp Caraway, in September of this year. She also represented our Assoc. by taking her Children's Choir to Choir Festival in Lumberton and a Handbell Choir to Handbell Festival in Charlotte.

In June, the Associational Music Department was responsible for Special Music at an associational meeting at the Cobb Memorial Baptist Church, Rockingham. A quintet from the Youth Choir of the First Baptist Church, Hamlet, presented music about witnessing and sharing Christ, and Miss Susan Perry, of the same church, presented a handbell solo.

In August, the Associational Music Department participated in the Assoc. Missions Fair by preparing exhibits for a booth and by arranging for music by handbells choirs from the Hamlet and Laurinburg First Baptist Churches.

An Associational Music Director, I participated in planning the program for the 1975 Associational Annual Meeting by being responsible for arranging for special music and selection of the congregational hymns.

It is a joy to serve Christ, along with fellow-Christians, through Music.

Respectfully submitted,
Mrs. T. E. (Margaret) Smart,
Assoc. Music Director

Gentlemen:

I have examined the balance sheet of the Pee Dee Baptist Association as of September 30, 1975, and the related statements of income and expenditures for the year then ended.

Our examination was made in accordance with generally accepted auditing standards, and, accordingly included such tests of the accounting records as we considered necessary.

In our opinion, the accompanying balance sheet and statement of income and expenditures present fairly the financial position of the Pee Dee Baptist Association at September 30, 1975.

Sincerely,

Auditors Note:

Mrs. Rivers assuredly deserves the commendation of the entire Association for her excellent work. It is indeed a pleasure to audit such a neat and accurate set of books.

1975 NORTH CAROLINA BAPTIST HOMES FOR THE AGING REPORT

The need for the services provided by your Baptist Homes for the Aging is increasing. Calls have come almost daily from older persons and their families, inquiring about admission to one of your five resident Homes and the Skilled Nursing Care Facility of the Homes.

About 10% of our population is over 65 years of age and thousands more are added each year. The needs of aging people are overwhelming, and we must strive diligently to meet those needs.

The capacity of all of our homes combined is only 230 persons, but we have served hundreds of aging people during the twenty four years they have been in operation. Our present facilities are: Resthaven, the Hayes Home, and the Nursing Care Unit in Winston-Salem, and other homes in Albemarle, Hamilton and Yanceyville. As God blesses and Baptists give financial support, we will make every effort to expand our ministry and reach out to help increasing numbers of older persons.

Cooperative Program gifts and from the 3rd Sunday in February Offering have increased and we are especially grateful because four out of every five persons who live in our homes depend upon these love gifts for their care!

The most exciting development for Baptist Homes this past year has been securing one of the most beautiful locations in the Blue Ridge Mountains for the proposed Western North Carolina Baptist Home in Asheville. It is a 21 acre tract, overlooking the city.

A drive to raise one million dollars for the construction of this home is now underway. The first unit will provide for 50 persons, with living room, dining room, library, chapel and activities room, along with other necessary rooms. When this is completed, North Carolina Baptist Homes will be able to minister to almost 300 persons at any given time, and it will give older persons from Western North Carolina a home nearer to them.

Pray for the ministry of your Baptist Homes for the Aging. Give as liberally as possible that the overwhelming needs of older people in our midst might be met more adequately. Visit the Homes and see firsthand the personal joy that your gifts bring. Know that your ministry to even one of these dear older people is a ministry as unto Christ Himself!

Respectfully submitted,
A. C. Corder, Representative
Baptist Homes for the Aging

1975 BAPTIST CHILDREN'S HOMES REPORT

Christian child care provided by the Baptist Children's Homes of North Carolina is a cooperative mission. It was through the life, teaching and ministry of Christ and under the leadership of the Holy Spirit that North Carolina Baptists launched their child care ministry 90 years ago. Today it is recognized as one of the outstanding ministries of its kind in the nation.

The lives of more than 3,700 people were affected in a significant way through the services of the Homes during the past year. Daily care and related services were provided 1,524 children. Of this number 1,061 were in continuing programs while 463 received casework, counseling, and referral services. While we were caring for the children, a close working relationship was maintained with 2,178 adults in an effort to reestablish homes and strengthen family relationships.

New and exciting developments are in progress throughout the state. During the past year emergency shelters were opened in Charlotte and Forest City to meet the needs of children requiring immediate assistance. Both Broyhill Home and Mills Home will have a new cottage

for children constructed during the next year. Progress is being made to expand facilities at Odum Home. Increasing numbers of families are opening hearts and homes for the care of foster children. All of these indicate a living, vital and growing ministry to people.

The award winning film, "The Mountain Within," meets with praise and appreciation wherever it is shown. It will continue to be available by request, either to the Communications Department of the Baptist State Convention or to the Children's Homes.

A cooperative mission requires that the parties involved have a clear, common purpose to which they are firmly committed, undergirded by mutual trust, and clear communications. These three factors characterize the relationships between the Baptists of North Carolina and their Children's Homes. Through the Cooperative Program and the Thanksgiving Offering, Baptists throughout the state can share a commitment to Christian child care. In response, the staff of the Children's Homes is committed to translate this support into a dynamic ministry of love and concern for children and families in need. With God's continued blessing we will move together to fulfill our mission.

1975 CHRISTIAN HIGHER EDUCATION REPORT

North Carolina Baptist colleges not only prepare future lay leaders, but a strong emphasis on ministerial and church-related vocational training is seen in the fact that our seven schools reported a total of 715 persons who were preparing for careers in church leadership. Most of these will go on to a seminary. Our six seminaries reported 303 graduates from North Carolina Baptist colleges as enrolled in 1975. 152 of our graduates are now under Foreign Mission Board appointment. In addition, a significant number of our graduates serve with the Home Mission Board, the Baptist State Conventions and associations throughout the SBC. About 100 Baptist college students served churches during the summer, with the colleges paying half of their salaries, under the Youth Corps worker program.

The Cooperative Program receipts is second only to student fees as the largest single source of income for our colleges. During 1975 the Cooperative Program budget includes \$416,066 for Campbell College; \$263,333 for Chowan, \$329,166 for Gardner-Webb; \$360,776 for Mars Hill; \$366,776 for Merideth; \$639,900 for Wake Forest and \$263,333 for Wingate. The colleges are grateful for the fine level of support which North Carolina Baptist have provided during these days of financial uncertainty. Our colleges could not exist without this support.

Baptist College Day, which is Father's Day, is the time when an offering is received to help provide scholarship assistance for worthy students who need financial help. Our colleges have a policy of not turning any qualified student away because of financial need. A worthy offering for this will insure that funds will be available to help such students.

Pastors and other church leaders can assist their young people and our colleges by encouraging attendance at a Baptist College. Information is available in brochure form, free of charge, from the Council on Christian Higher Education of the Baptist State Convention in Raleigh.

North Carolina Baptist colleges are committed to Christian values, and to active partnership with their fellow Baptists in evangelism, missions, education and social concern.

Your Baptist colleges sincerely solicit the supportive prayers of North Carolina Baptist churches, that we will be aware of and receptive to Divine guidance in performing the work which we have been given to do.

Robert Y. Thurkill, Representative
Christian Higher Education

1975 ANNUITY BOARD REPORT

In these days of increasing costs of living, the Southern Baptist Convention Annuity Board serves as a lifeline of support for 10,034 retired pastors and other church-related workers or their widows.

During 1974, the Board paid about \$15,500,000 in retirement and other protection benefits to these annuitants. In the Board's 57 year history it has paid a total of over \$125,000,000 in retirement and protection benefits.

The Annuity Board also holds in trust and invests retirement contributions from 38,000 pastors, other church staff and denominational employees—which will be converted into annuity benefits when they retire.

These funds held in trust amount to a record \$353,445,743. While this seems a large amount of money, it needs to be noted that this must be divided by the number of future annuitants it will serve for the remainder of their lifetimes after retirement.

The Annuity Board would have enjoyed its best year ever in 1974, but the stock market's downturn intervened. Realized and unrealized losses in income from bonds, short-term investments, and common stocks amounted to \$21,000,000.

Gains in other investments reduced the net loss to \$11,300,000, or three per cent based on average investments. All investment funds, whether church-related or having other connections, suffered from the stock market decline. As the stock market began to recover in early 1975, the losses also began to be recovered, Board President Darold H. Morgan said.

In December, 1974, the Board issued a 13th check to annuitants. It amounted to more than \$675,000 and was equal to one month's benefits. It is called a 13th check because it is issued above and beyond the 12 regular monthly benefit checks distributed to annuitants.

Twenty churches and the Pee Dee Baptist Association participate in one or more of the Board's programs here in our own association. In North Carolina 2,134 churches and associations and 2,616 staff members are currently participating in the Southern Baptist Protection Program.

The Board continues to give help to needy retired pastors who do not have the help of the retirement programs. 409 retired pastors received \$216,513 in relief benefits in 1974.

If you have a question regarding your own retirement or insurance program, you may call toll-free 1-800-527-4767 or write the Development Office, Annuity Board of the SBC, 511 North Akard Building, Dallas, Texas 75201.

We urge and encourage all of our churches to make sure that your pastor and other staff members are covered by the Annuity Board retirement program designed for them. Even with this, plus Social Security, the cost of living will create problems for most of them when they retire.

Respectfully submitted,
Harold Matthews
Annuity Board Representative

1975 BAPTIST HOSPITAL REPORT

There have been many significant developments at your Baptist Hospital during the year.

The new ambulatory care unit is now in operation, making possible enlarged and improved services for the Emergency Room, Out-patient Clinics, Physical Therapy and other departments. Renovation of the West Wing is complete and renovation of the South Wing began early in August. The third floor of the Progressive Care Unit has been remodeled to provide 26 beds, therapy room and other improved facilities for Psychiatric Services.

The long-awaited EMI-scanner is now in use, providing benefits in detecting blood clots, tumors, strokes and other abnormalities of the brain.

A Family Practice Center opened in July, offering more primary medical care for patients and also providing specialized training for physicians who choose to enter Family Practice.

The hospital had its biennial review by the Joint Commission on Hospital Accreditation and all areas of operation received an excellent report, with physician service, nursing service and administration receiving especially high commendation.

Despite the continued rise in costs for services and materials, the hospital has been able to operate in the black. Every effort is made to see that the hospital operates as efficiently and economically as possible.

Gifts from Baptist churches have been very gratifying. During the year 1974 the hospital received \$258,898 through the Cooperative Program and \$392,000 through the Mother's Day Offering. Hospital staff members have participated in Cooperative Program promotion through the State Convention.

The Department of Pastoral Care has opened a counseling center in Raleigh. This is the second satellite center. Plans are developing for a third one in the western part of the state. The Department has established a scholarship Fund as a memorial to Dr. Richard K. Young, the department's first director, who died December 31, 1974. Full reaccreditation was given the School of Pastoral Care in December by the Association of Clinical Education.

During the year, Mr. Reid T. Holmes retired as President of the hospital after serving the hospital for 29 years.

1975 NORTH CAROLINA BAPTIST FOUNDATION REPORT

Your North Carolina Baptist Foundation provides a broad base of support for future operation and expansion of our mission efforts and ministries to bring mankind into the influence of the saving grace of our Lord Jesus Christ.

The Foundation exists to assist individuals throughout the state in their estate planning, providing ways to support Baptist institutions and mission work on a permanent basis. Property and funds placed with the Baptist Foundation are invested by a convention elected board of directors with the income paid annually to the institution or mission cause designated by the donor.

Individual assistance is provided Baptists throughout the state in the establishment of trusts that not only benefit the donor but also support the Christian ministries of our denomination in a lasting, perpetual way.

During the past two years, \$330,070.41 has been given to the N. C. Baptist Foundation, Inc., in the way of annuity trusts. In this type of trust, the donors reserve the right to the income from investments for their lifetime and then the income will be paid to the Baptist cause specified in the original trust agreement. The laws of our land provide certain tax advantages for the gift portions of these transactions.

Wills still account for a major portion of the funds held in trust by the Foundation. One such gift to benefit mission work came in the form of a farm and other assets given by the deceased. It was determined by the tax records found in this estate, that this person will give annually three times as much for missions through the income from this trust fund, as she was ever able to earn in total wages during any year of her lifetime. What she could not do for the Lord's work during her earthly lifetime, she is doing after she has gone to be with Him.

New gifts to be held in trust by the Foundation amounted to \$635,079.57 during 1974-1975 fiscal year. This raised the market value of all assets to \$2,331,559.67 as of June 30, 1975. Income from all assets held by the Foundation which have been or will be distributed to designated beneficiaries in the near future amounted to \$76,257.82 for the past 12 months.

For information on services offered by the Foundation to individuals and/or churches, please contact Mr. Edwin S. Coates, Executive Secretary, North Carolina Baptist Foundation,

Inc., P. O. Box 26508, Raleigh, N. C. 27611. (telephone: 1-919-833-1605) All inquires and assistance are considered confidential and personal.

Respectfully submitted,
Doran Cook, Representative
N. C. Baptist Foundation

1975 SEMINARY EXTENSION REPORT

Seminary Extension is one answer to the minister's need for a career-long program of continuing education. An extension of the six seminaries of the Southern Baptist Convention, it provides relevant learning opportunities for ministers and lay leaders within the association's geographical area. Persons who prefer independent study can take most Seminary Extension Courses through home study. Three curriculum series are offered because of the wide range of educational backgrounds.

In September of this year, a course in Techniques of Counseling was begun at Richmond Technical Institute, with Seminary Extension credit available.

If sufficient interest is shown, courses in "The Dynamics of Teaching" and/or "Understanding The Bible" can be offered during the coming year. If you are interested, please call the associational office.

Respectfully submitted,
Carl Lewis, Chairman
Seminary Extension Committee
